POLICY FOR CAMPAIGNING AND FUNDRAISING AT THE TRANSFER STATION

The Board of Selectmen has set the following regulations for campaigning/fundraising at the Amherst Transfer Station:

The campaigner/fundraiser should notify the Department of Public Works before campaigning or fundraising at the transfer station. Please call (673-2317 x201) with the dates and times of attendance and the number of people expected in the group.

1. The campaigner is to stand behind the barricades that have been placed in the vicinity of the "Still Good Shed" and not go outside of this area to approach cars.

2. Any problems should be addressed to the Weighmaster at the scale house.

3. There will be no campaigning at the entrance to the Transfer Station either inside or outside the gate due to safety issues.

4. There will be no campaigning in the Town's right of way on the northerly side of Route 101 due to safety issues.

It is the earnest desire of the Selectmen of the Town of Amherst that this exercise in democracy / civics be carried forward with the least disruption to the people at the Transfer Station and the safety and traffic are the uppermost considerations.
