

## Nature Trail Scavenger Hunt

It is always fun to walk along a nature trail. It is even more fun when you make your walk a scavenger hunt. A nature trail scavenger hunt is when you gather as many things as you can from a list. If several children are included in the scavenger hunt, make the hunt a game. All you need is a bag. Who is the first person or group to find everything?

Find these on your scavenger hunt:

- |                             |                           |                 |
|-----------------------------|---------------------------|-----------------|
| ___ Something green         | ___ A feather             | ___ A flower    |
| ___ Something with needles  | ___ A fern                | ___ A leaf      |
| ___ Something with a hole   | ___ A pine cone           | ___ Moss        |
| ___ Something twisted       | ___ Something flat        | ___ A dead twig |
| ___ Something curly         | ___ Something smooth      | ___ A weed      |
| ___ Something sticky        | ___ Something that floats |                 |
| ___ A seed                  | ___ Something red         |                 |
| ___ Tree bark on the ground | ___ Something orange      |                 |

### After the Hunt

Make a poster of everything you collected. Compare posters. Which things are alike? Which are different? **Wash your hands.**
