

OBSERVING THE WEATHER

What is the weather today?

Print this page.

Cut out the six pictures below.

You can use the pictures to show today's weather.

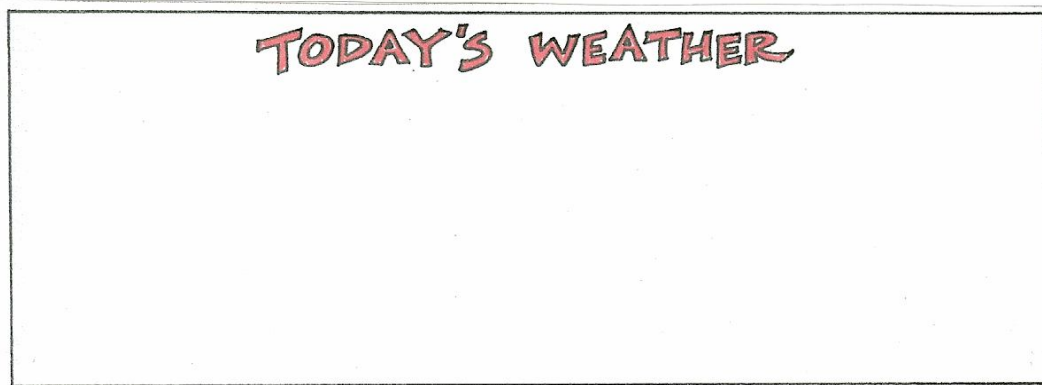

Make a weather poster like the one below.

Observe the weather every day.

Tape or pin one of the pictures to the poster.

Sometimes you might use two pictures.

More To Do

List the days of the week.

Draw a weather picture next to each day.

What was the weather like during the week?
