

## Tethered Hot Air Balloon Rides

Have you ever wanted to know what a hot air balloon ride is like? Tethered rides will be available on July 3 at Souhegan High School on the front lawn thanks to REMAX which is returning to Amherst with its balloon once again.

A \$7.00 donation per person is suggested. Children 4 years and older are allowed on the rides but all children must be accompanied by an adult. The rides will begin at 5:30 pm and continue until dusk or the fuel runs out!

The balloon will be inflated starting at 5:15 pm for those who would like to see how this is done. The proceeds from the rides will be shared with SHARE.
