

## Crazy Hat Contest

There's something new on the village green this year—a Crazy Hat Contest! People who want to be part of the fun are asked to wear a crazy hat to the parade and then to meet in front of the reviewing stand at the end of the parade for judging. Winners will be announced during the reviewing stand ceremony.

There will be two categories: "Children" (up to age 12) and "Adults" (12 years old and above). The hats will be judged for "Best in Theme" and "Most Original." Winners in each category will receive an Amherst Fourth of July pin designed by Jenna Odhner, a recognized Amherst artist.

Put on your creative thinking cap, make a crazy hat to wear, and meet in front of the reviewing stand immediately after the end of the parade on July 4<sup>th</sup>. Have your picture taken and win a pin!
