

Animal Tracks

Have you ever seen animal tracks in mud or in snow? Did you ever wonder what animal made the tracks? Below is a Pocket Guide to New Hampshire Animal Tracks. The New Hampshire Fish and Game Department provide it. Keep it with you and refer to it when you come upon any tracks. Remember, as snow melts, animal tracks get larger.

Activities

1. This web site below explains how to make plaster castings of animal tracks. **Have an adult help you.**

www.bear-tracker.com/teachers.html

2. Use the above Guide to draw tracks in Play-Doh.

3. Keep a journal of all the tracks you find.
