

Ways & Means September 14, 2015

Convened 8:28pm Hertzga Meeting Room

Present: John Post, Russ Thomas, Andy Ouellette, Colleen Lynch, Lorelei Haberland and Rob Christopher

John Post was voted as chair of the group, it was noted that he will not be here in January for deliberative session. The Moderator has suggested that we name a Spokesman who can provide public interface for the Committee. In addition to functioning as the Presenter at the Deliberative Session, he/she would be the informational conduit for press and other communications.

Discussed the budget schedule. John is going to request that Lisa Ambrosio email copies of budget vs. actual reports for 2014 & 2015. He is also going to talk to Mary Guild about emailing the W&M copies of presentations and budget info that the BOS get before the meeting.
