

Amherst Bicycle & Pedestrian Advisory Committee

December 14, 2021 @ 7:00PM
Barbara Landry Meeting Room, Amherst Town Hall

Agenda

1. Extension of Amherst St Sidepath

The Amherst Board of Selectmen and the Milford Board of Selectmen have both unanimously voted to pursue a joint-interjurisdictional grant application to pursue 100% federal funding to extend the Amherst St Sidepath southwest to the Granite Town Rail Trail (via the Milford Oval) and northeast to the Baboosic Greenway (by Birch Park).

In December, Chris Buchanan, Rick Katzenberg, and Acting DPW Director Eric Slosek met with several officials in Milford to initiate this process. The grant application needs to be completed before January 31 2022.

BPAC should discuss a maximum possible extent of this application and any members or volunteers who would like to assist in this process would be appreciated

2. Status of Trail Easement Expansion

Brief updates in the status of pursuing public trails on private land, including discussing a final draft of BPAC's booklet for landowners

3. Updates on FY 2023 Budget, Warrant Article

4. Approval of Minutes - November 9, 2021

The meeting will also be accessible on Zoom.
