Selectman D'Angelo stated that he was pleased with the outcome of the election. He
 explained that the warrant article that passed with the second lowest margin was the funding
 of the police department. He believes this may be due to the public wanting to see a

34 committee nominated for this task and he would like the Board to work on this quickly.

- Chairman Brew stated that the committee will be comprised of 7 people: the police chief, the town administrator, 2 citizen members, the DPW director, a Selectman, and a member of the Ways and Means committee.
- Selectman Grella stated that one of the main complaints regarding Election Day was the
 safety of getting out in the snow. He hopes something will be done about this for the future.
- 42 Selectman Lyon stated that he was pleased with the outcome of the election. It was also very 43 affirming to see the warrant articles for the ACC LUCT funds pass by such a great amount.

- In response to a question from Chairman Brew, Ms. Ward explained that the other structures along this route will remain wood. The plan is to identify those in the greatest need of being replaced and change those to weathered steel.
- 71

67

- In response to a question from Selectman Panasiti, Ms. Ward stated that Eversource has gone
 door-to-door to speak with the home owners in the area that will be most affected by the
 work. They have either spoken face-to-face with these owners, or left door hangers with
