

1
2 CEMETERY TRUSTEES MEETING

3 October 14, 2014

4 This meeting was called to order at 7:38am. In attendance: Marie Grella; Bill Belvin; Bruce
5 Berry Sexton; Pat Delisle Executive Assistant, Carl Norwood, resident.

6
7 Chestnut Hill Cemetery: There have been inquiries regarding burials at Chestnut Hill Cemetery
8 now that there appears to be lots available. Carl agreed to cover the cost of the archeologist, the
9 removal of stumps and placing them over the rock wall. There was a concern regarding bringing
10 heavy equipment through the cemetery. Carl had gotten permission from the abutter to bring the
11 equipment over his land. Carl received a letter from the Trustees with the cost due of \$1627.34
12 and another \$3,000 for the "Right to Inter" for 6 graves. Carl is hoping for a credit on the cost of
13 the cemetery lots. He is looking for a 12 grave lot. Bill Belvin asks for input from the others,
14 Bruce Berry stated that Leighton White called him regarding spreading the loam. Bill refers to
15 the Dinkel lot and the precedent set at that time. The resident paid for all the landscaping. Bill
16 asks how many graves are now available. Perry states that there would possibly be 54. Carl
17 believes that there are many lots now available for internment. Marie states that the Town will
18 benefit from the work that was done and that this should be discussed when Peter Bergin is
19 available.

20 Bill makes a motion to table this discussion until the next meeting, seconded by Marie. Motion
21 passes.

22
23 Memorandum of Understanding – Bill Belvin, Brad Galinson and Jim O'Mara met regarding the
24 M.O.U., they are making progress. There are still several issues outstanding. For instance: Who
25 has the right to sign a "Right to Inter"? In the past the signing of 'Deed's were put on the agenda
26 for the Board of Selectman to be signed at a Selectman meeting, due to the time restraints this
27 was changed with the authorization of Terry Knowles and Atty. Drescher, however Bill Belvin is
28 going to check with Terry Knowles to confirm or change.

29 Discussion Items:

30 Revenues such as grave opening costs, and lot costs should be detached from the trust funds and
31 deposited into the general fund.

32
33 Disinterment of the remains from grave #906: We will need identification and relationship
34 verification. The charge incurred would be the same as a grave opening. We would purchase the
35 lot back at the same price it was purchased, \$300.00.

36
37 Issuing "Right to Inter" at Chestnut Hill Cemetery; This can be done once the new section is
38 laid out.

39

40 There was an inquiry regarding the Weston Veterans marker at Cricket Corner Cememtery. Perry
41 Day will look for this stone.

42

43 September minutes will be submitted for the November meeting.

44

45 The flags will be removed from the Veterans grave on November 28th and wreaths will be placed
46 there.

47

48 Motion to adjourn made by Marie Grella, seconded by Bill Belvin, all in favor. Meeting
49 adjourned at 8:30 am.

50

51 Respectfully submitted,

52 Pat Delisle
