Mikes gives an update on Forestview Cemetery. Most of the work is complete with the exception of the edge of the hot top at the entryway, they will need to place a bucket of gravel at the edge, the silt fence will also need to be removed. Mike asked if the trustees would be able to have the loam that is there screened, this makes it easier to work with. The trustees don't have an issue with renting equipment to do this. Cynthia asks about the conduit for the irrigation and possible future electrical was being laid. Perry states that placing it is not that big a job and that cost could come out of the budget. Perry also met with someone regarding the irrigation, he was told that the cost would be around \$5K, they will have to design specifications and send them out in bid form. Cynthia, Marie, Perry and Mike all feel that Forestview Cemetery should have irrigation. During the summer of 2020, the cemetery will be mowed high and irrigation will be laid in the fall. Perry asks if Meridian will be returning to Forestview to place the markers. They would only need to place the corner markers at the end of the rows, two at each end. Perry would be able to place the remaining markers. A white gate will also be needed (similar to Meadowview Cemetery), it will be closed in the winter and open it the spring. Until the construction is complete the barrels will be used.

A classified ad will be placed on our website and the towns Facebook page for a 40 hour a week seasonal hire for the cemetery. Hopefully starting in the summer of 2020 they would also need an additional employee at 20 hours a week.

The solution that was discussed at the fall cemetery meeting should be purchased or made to clean the headstones.

Marie and Perry met with the Eagle Scout, his Dad and the scout leader. He is all set to bring in his design, the blueprint; the Trustees will approve it or give him recommendations for changes.

The next meeting is scheduled for February 20, 2020 at 1:00pm.

A motion was made by Marie at 1:40 to adjourn, seconded by Cynthia, meeting adjourned at 1:40.

Respectfully submitted
