

Amherst Pipeline Taskforce Meeting
Wednesday, February 26, 2015, 7:00PM

ATTENDEES: Shannon Chandley, David Beach, Joe McCool, Tiani Coleman, John D'Angelo – Selectman, and Susan _____ (a member of the public).

J. D'Angelo welcomed the attendees, and commented that the meeting was likely to be short, since so many Task Force members were out of town. J. D'Angelo asked who had attended the KM Open House at Hampshire Hills the previous evening. Shannon, David, Susan, and John had done so. All shared their impressions.

David had prepared a written summary of his impressions, which he went over along with two more documents. Tiani had also sent out a document which she went over briefly.

John shared that the Selectmen were trying to nail down a date for Kinder Morgan to come to Amherst and address the Board and answer questions. The Selectmen are shooting for the end of March.

The meeting ended at approximately 8:30pm.
