

BICYCLE & PEDESTRIAN LISTENING SESSION

Do you currently walk or bike in Amherst, New Hampshire?

Bicycle and Pedestrian Advisory Committee's Mission Statement: Facilitate a town-wide network to enhance and encourage safe, multi-use transportation for connectivity, recreation, and health through the development of strategic and actionable plans.

- We want to hear your ideas and recommendations to improve conditions for walking and riding in Amherst.
- Tell us where you go, how you get there, and share your ideas to make walking and biking easier, more convenient, and more enjoyable.
- Identify specific destinations and trouble-spots.
- Share the routes you currently take, and routes you would like to see established or improved.

Would you walk or ride more often if conditions were better?
