Telephone: (312) 626-6799 Webinar ID: 870 9931 4015 If you cannot access this meeting, please call: (603) 440-8248

- 1. Call to Order
- 2. Citizens' Forum
- 3. Warrant Article Proposals
  - 3.1. ACC proposed Open Space Warrant Article
  - 3.2. Bike/Ped Committee proposed Warrant Articles- Boston Post Sidepath Project
- 4. Draft 1 Budget
  - 4.1. FY22 Budget
- 5. Administration
  - 5.1. Co-Ad Realty LLC Request for a building permit
- 6. Staff Reports
  - 6.1. 2020 Tax Rate Setting
- 7. Approvals
  - 7.1. Assessing Approvals
  - 7.2. Accounts Payable Manifests and BOS October 12, 2020 Meeting Minutes
- 8. Action Items
- 9. Old/New Business

# Adjournment

Next Meeting: November 9, 2020

#### Proposed Amherst BPAC Warrant Articles, 2021 – Boston Post Sidepath Project (School Campus)

As suggested at the September 15, 2020 BPAC Meeting, warrant article proposals have been drafted for consideration. A general discussion was held at the October 5, 2020 Board of Selectmen meeting. Chairman of the BOS Peter Lyon suggested a workshop be held with Town Administrator Dean Shankle and representatives from the BPAC to discuss options. BPAC chair Chris Buchanan and member George Bower attended this on October 15<sup>th</sup>.

#### The purpose of these articles is:

- To begin raising funds to advance the Boston Post Road Sidepath Project, specifically a segment in the area of Souhegan High School/Amherst Middle School
  - Estimated project costs stand at \$225,000 depending on the scope of the project and possible engineering challenges (such as water crossing near Cross Road, grade-separation near Cross Road, etc.)
  - \$75,000 offers 1/3 of total project cost, allowing for the opportunity to fully fund the project across 3 years.
  - By raising these monies as soon as possible, it creates the opportunity to pursue grant funding in a meaningful way, as early as 2021
    - Transportation Alternatives Program (TAP) likely to occur in the next year, requires matching of 20% of total project cost
    - TAP grants have project minimum cost requirements which vary from year to year. In recent times, they
      have spanned from \$80,000 minimum project cost to \$400,000 minimum project cost.
    - Grant funding is extremely difficult to obtain without dedicated monies set aside
    - Grant funding offers the greatest deal to Amherst taxpayers by covering 80% of the cost of this particular
      project, especially as road construction in this area will not be happening soon and thus not offer any
      other cost-savings opportunities.

Two warrant articles are offered for consideration, each with strengths and weaknesses.

#### Article X1: Amherst Multimodal Facilities Capital Reserve Fund.

To see if the Town will vote to establish a capital reserve fund under RSA 35:1 known as the "Amherst Multimodal Facilities Capital Reserve Fund" for the purpose of making multimodal capital improvements within the town including but not limited to capital construction to support alternative transportation and to provide matching funds for state, federal and private grant programs, and to raise and appropriate the sum of seventy-five thousand dollars (\$75,000) to be added to this fund, so established, and further, the Select Board shall be named agents of the fund and be authorized to make expenditures from the fund.

- This article establishes a general capital reserve fund
- The intent is that this fund could be established, and that the funds this year will be raised to support the Boston Post Road project.
- Strengths
  - A general capital reserve fund offers the greatest flexibility for funding projects across town (town-wide connectivity is in our mission)
  - o Language from this article would not mandate that all funding be used exclusively for the Boston Post Road project
  - o If TAP grant requires a minimum project cost >\$225,000 (which is likely), by having a general capital reserve fund, it would allow us the ability to include funding additional projects in our grant application.
    - For example: \$400,000 was minimum project cost in the last TAP grant in 2018
    - Funding other, related projects may be included in a grant application and could be necessary to meet project minimum costs
  - Having a general fund provides a clear method for future fundraising of any initiatives without having to recreate a fund each time
    - Specific projects can be pitched over time to add to the fund
    - Surely some initiatives would be successful and others not, but the fund would remain in place
- Weaknesses
  - It is more difficult to convey the value to voters the idea of a general capital reserve fund than it is a specific project and may offer challenges when communicating the intent of the article

Alternate Article X1: Boston Post Road Sidepath, School Campus Capital Reserve Fund. To see if the Town will vote to establish a capital reserve fund under RSA 35:1 known as the "Boston Post Road Sidepath, School Campus Capital Reserve Fund" for the purpose of designing and constructing a path to support pedestrian and bicycle traffic and to provide matching funds for state, federal and private grant programs, and to raise and appropriate the sum of seventy-five thousand dollars (\$75,000) to be added to this fund, and further, the Select Board shall be named agents of the fund and be authorized to make expenditures from the fund.

- The intent is that this fund could be established, and that the funds this year will be raised to support the Boston Post Road project. These funds could also be used for required matching portions of grant opportunities.
- This article establishes a capital reserve fund with language that commits to a particular project, the Boston Post Road project

#### Strengths

- o It is easier to convey the value to voters the idea of a specific project than it is a general fund
- This project is the most requested and popular initiative we have before us, and by being very clear about that it
  may make it easier to have the article be successful

#### Weaknesses

- o Language from this article would mandate that all funding be used exclusively for the Boston Post Road project
- IF the TAP grant requires a minimum project cost >\$225,000 (which is likely) we may be unable to apply for this grant.
  - Committal language to this project alone would PREVENT us the ability to include funding additional projects in our grant application
  - There are very few grants to fund bicycle/pedestrian projects, they often have minimum project costs, and they do not happen very often (For example, last TAP grant was 2018 with minimum project cost of \$400,000)

## **FY22 Warrant Articles - DRAFT**

1	Operating Budget	
2	Contingency Fund	120,000
3	Communications CRF funding	25,000
4	Assessing Revaluation CRF funding	25,000
5	Bridge Repair & Replacement CRF funding	200,000
6	Fire/Rescue Vehicle & Equipment Purchase & Repair CRF funding	257,000
7	Establish & fund CRF for DPW vehicles and equipment replacement	250,000
8	Police Station Renovation - Phase 2	175,000
9	Service Connected Total Disability Tax Credit (3rd and final year)	4,000
	Open Space Acquisition - Conservation Commission - Bond of \$6,000,000	
10	with annual cap of \$3,000,000	6,000,000
11	Bike/Ped Funding for 1 year of sidewalk at SHS	100,000
12	Establish & fund CRF for Buckmeadow improvements (tentative)	50,000
	TOTAL	7,206,000

#### FY22 v FY21 BUDGET CHANGES NOTES

NOTE #	DEPARTMENT	+/-	CHANGES EXPLANATION
		-	Wages and benefits lines as a result of personnel changes.
		-	Merit Pay line not funded.
	F	+	Electricity and Water lines new - transferred from Government Buildings Budget.
1	Executive	-	Less Special Events planned in FY22
		-	Postage - based on actual history.
		-	Equipment Lease Payments - copier lease costs allocated to individual departments.
			Elected Officials wages. Pay per hour increased to \$12.00/hour, number of hours
	Elections,	-	reduced due to only one election (Town) in FY22.
2	Registrations, Vital	_	Ballot Machine programming due to only one election in FY22.
	Stats		Computer equipment - deduction of the one-time purchase in FY21 of a laptop computer
	0.00.00	-	for the Supervisors of the Checklist.
			Change for Department Assistant (Grade 6, Step 9) to Executive Assistant (Grade 12, Step
		+	4).
		+	Elected Officials Wages. No pay increase - including budgeting for Deputy Treasurer
			Education/Training - Springbrook training to better utilize software and tuition
3	Finance	+	reimbursement.
		+	Dues/Subscriptions - included Payroll Processors Assocation dues.
		<u> </u>	Bank Fees - based on actual history
		+	Software Licensing - increase in fees for Springbrook and GovMax.
		<u> </u>	Bank Service Fees (Lockbox) based on actual history.
4	Tax Collector	+	Software Licensing increase for AMAZE software.
	Tax concetor	+	Computer Equipment to initiate the computer replacement plan.
		+	Longevity - Next step in matrix achieved.
5	Property	+	Computer Equipment to initiate the computer replacement plan.
	Assessing & Revals		Office Equipment - less needs in FY22.
6	Legal		CBA legal - based on actual history.
-	Personnel		-
7			Short Term Disability rate decrease.
	Administration	+	Health Reimbursement Account - based on actual history.
	- ·	+	Master Plan - for work to be performed by Nashua Regional Planning Commission.
8	Planning	-	Postage - based on actual history.
		+	Equipment Repair - maintenance contract on plotter printer.
		-	Health and Dental Insurances due to plan participation changes.
9	Zoning	+	Telephone - based on actual history.
		+	Software Licenses
		-	Mileage - based on actual history.
		-	Electricity and Water transferred to individual department budgets.
10	Government	+	Facility Maintenance/Repairs - addition of Buckmeadow.
	Buildings	+	Alarms - addition of Buckmeadow.
		+	Trash Removal - addition of Buckmeadow.
11	Property/Liability Insurance	+	Rate increase.

# Town of Amherst, NH BOARD OF SELECTMEN STAFF REPORT

**Department:** Administration

**Title:** Co-Ad Realty LLC Request for a

building permit

Meeting Date: October 26, 2020 Staff Contact:

#### **BACKGROUND INFORMATION:**

In March attorney Tom Quinn, on behalf of Co-Ad Realty LLC, requested that the BOS authorize the issuance of a building permit on Map 5 Lot 51, which has no frontage on a Class V road. Pursuant to NH RSA 674:41 and advice from the town attorney, the Board first referred the request to the ZBA, which gave them the requested variance. Next, the BOS asked for the Planning Board to review and comment and they voted that they had no objection to the Board issuing a building permit.

In the attachments you will find:

- An image from the tax maps of map 5 lot 51
- The original request from Tom Quinn
- Bill Drescher's opinion letter, which you earlier voted to make public
- A copy of NH RSA 674:41
- The ZBA draft minutes where this was discussed, with the relevant case information highlighted
- A letter from the Community Development Director regarding the actions of the Planning Board

#### **BUDGET IMPACT:**

(Include general ledger account numbers)
NA

#### **POLICY IMPLICATIONS:**

#### **DEPARTMENT HEAD RECOMMENDATION:**

#### SUGGESTED MOTION:

"I move that we authorize the Community Development Department to issue a building permit for a single family residence on Map 5 Lot 51 as approved by the ZBA and after

all of the associated required paperwork is done, including the Waiver of Municipal Liability."

## **TOWN ADMINISTRATOR RECOMMENDATION:**

Concur

March 16, 2020

Dr. Dean E. Shankle, Jr., Town Administrator Town of Amherst 2 Main Street Amherst, NH 03031

RE: RSA 674:41 Waiver / Lot 5-51, Amherst Street

Dear Dean,

Please be advised that I represent Co-Ad Realty, LLC, the owner of property situated on Amherst Street and shown on Town Tax Map 5 as Lot 51. By this letter, my client is requesting, pursuant to RSA 674:41, I(d), that the Board of Selectmen authorize the issuance of a building permit for a residence to be built upon the lot.

The lot is a back lot consisting of ten acres of land, more or less. It has no frontage on a Class V Road, but is served instead by a private right of way over property located at 112 Amherst Street and shown on Town Tax Map 5, as Lot 52. The lot has existed in its current form since at least 1958. It has never had frontage but has always been served by a right of way.

The lot and the right of way are shown on a plan of land entitled: "Easement Plat, Map 5, Lots 51 & 52, Amherst Street, Amherst, N.H.", dated December 30, 2010, recorded in the Hillsborough County Registry of Deeds as Plan #37455 ("the Plan"). The right of way, for both access and utilities, is shown on the Plan and is described in a First Amendment to Declaration of Access and Utility Easement for the benefit of Map 5, Lot 51, Amherst, New Hampshire, recorded in said Registry of Deeds at Book 8495, Page 2774. The Plan was not approved by the Planning Board because it was not required. The Plan did not create a subdivision or change lot lines in any way.

In accord with the statute, the Board of Selectmen is empowered to authorize the issuance of a building permit after review and comment by the Planning Board, provided that the municipality neither assumes responsibility for maintenance of the road nor liability for any damages resulting from the use thereof and provide that prior to the issuance of the building permit, the applicant

produces evidence that notice of the limits of municipal responsibility for maintenance and liability has been recorded in the Registry of Deeds.

Enclosed herewith is a draft Waiver of Municipal Liability for (Private Road) Building Permit Pursuant to RSA 674:41, I(d) for your review.

Please schedule the matter for discussion before the Planning Board and the Board of Selectmen at your earliest opportunity. I will, of course, be present at both meetings to present the application.

Thank you.

Sincerely,

Thomas F. Quinn

TFQ:djl Enclosure #20-0034 Return to:

## TOWN OF AMHERST

# WAIVER OF MUNICIPAL LIABILITY FOR (PRIVATE ROAD) BUILDING PERMIT PURSUANT TO RSA 674:41, I(d)

#### AGREEMENT AND RELEASE

NOW COMES, **CO-AD REALTY, LLC**, a New Hampshire limited liability company, having a principal address of 45 Emerson Road, Milford, New Hampshire 03055 (hereinafter referred to as APPLICANT), and, in consideration of the **TOWN OF AMHERST**, having an address of 2 Main Street, Amherst, New Hampshire 03031 (hereinafter referred to as the TOWN), by its governing body, the Board of Selectmen, authorizing the issuance of a permit to construct a single family residence on a Private Road in said Town, do hereby agree as follows:

#### Recitals:

WHEREAS, APPLICANT is the owner of certain real property off Amherst Street in the Town of Amherst, which property consists of the property depicted as Map 5, Lot 51, on the Town of Amherst Tax Maps, and also on a plan of land entitled, "Easement Plat, Map 5, Lots 51 & 52, Amherst Street, Amherst, N.H.", dated December 30, 2010, recorded in the Hillsborough County Registry of Deeds as Plan #37455, the same having been acquired by the APPLICANT by deed dated November 19, 2012, which deed is recorded in the Hillsborough County Registry of Deeds at Book 8495, Page 2778; and,

WHEREAS, the APPLICANT is desirous of constructing a single family home on said property but would be precluded from doing so by virtue of NH law as set forth at NHRSA 674:41 and/or applicable Town ordinances; and,

WHEREAS, NHRSA 674:41 provides a mechanism to permit the selectmen to allow such construction provided the APPLICANT executes, in recordable form, a waiver and certification relative to the maintenance and use of said Private Road.

NOW THEREFORE, the APPLICANT on behalf of itself, its legal representatives, successors and assigns, covenants and agrees as follows:

- 1. The APPLICANT or its assigns, plans to apply for a building permit to construct a single-family residence relating to the property located off Amherst Street, namely, Map 5, Lot 51, referenced above.
- 2. The TOWN neither assumes responsibility for the maintenance, including snow plowing, nor liability for any damages resulting from the use of the private road which serves as access to Map 5, Lot 51, which private road is in the form of an easement as set forth in a certain First Amendment to Declaration of Access and Utility Easement, recorded in said Registry of Deeds at Book 8495, Page 2774.
- 3. The APPLICANT shall be responsible for maintaining access to the subject property and does/do hereby forever release and discharge the TOWN, its officers, agents and employees from the obligation of maintaining the easement/private road referenced in Paragraph 2., above, and from any claim of any nature, whether in tort of otherwise, which APPLICANT, its legal representative, successors and/or assigns might have against the TOWN for any loss or damage, including those incurred through failure to provide municipal services, including police, fire and ambulance services, arising out of the condition of the roadway from the point where the private road/easement intersects Amherst Street, which is a Class V road.
- 4. The APPLICANT assumes responsibility for transporting any school-age children residing in the residence to be constructed upon the subject property to the nearest regular school bus stop.
- 5. The APPLICANT assumes responsibility for the maintenance and repair of the private road/easement referred to in Paragraph 2., above, and agrees that it will maintain and, if necessary, construct said road at its sole expense.
- 6. The APPLICANT understands and acknowledges that the within does not in any way relieve the APPLICANT from complying with any and all laws, regulations and codes that may be applicable to said construction other than the frontage requirement referenced herein.
- 7. The APPLICANT agrees and acknowledges that this condition shall run with the land and shall remain in effect and this document, once executed, shall be binding on the APPLICANT and its legal representatives, successors and/or assigns. This document shall, when executed, be provided to the Town for recordation so that the within requirements shall become a matter of public record.

IN WITNESS WHEREOF, the undersigned this day of March, 2020.	l, having taken the prescribed oath, have set its hand
	APPLICANT

Ms. Nic Strong Community Development Director Town of Amherst PO Box 960 Amherst, NH 03031

Re: Map 5, Lot 51 - 'Landlocked' Pre-existing Lot -Building Permit

Dear Nic:

Per your request I have reviewed the documents you forwarded regarding the above referenced matter and offer the following:

### Summary of Opinion

The subject lot does not qualify for a building permit as it is non-conforming as to the applicable frontage requirement contained in the AZO as well as the requirements of the state statute, **RSA** 674:41. In order to secure a permit, the owner of the subject lot needs to:

- (1) secure a waiver of the frontage requirement from the Selectboard under **RSA 674:41**; and,
- (2) secure a variance from the frontage requirement in the AZO.

#### Relevant Facts

The information you provided supports the following facts:

- The Subject Property
- 1. The subject property is depicted on the Town of Amherst Tax Maps as *Map 5*, *Lot 51* and is also shown on a Plan recorded in the Hillsborough County Registry of Deeds as *Plan No. 37455 (hereafter the 'Plan')*.
- 2. The Plan indicates that the lot consists of **9.95** acres and is without any frontage on any public road, access to the lot being by means of an easement which is shown on the Plan.
- 3. The subject property is located in the Rural/Residential (*RR*) zoning district as indicated on the zoning map of the Town.

- 4. Deed records in the Registry indicate that the lot, which has no frontage, was in existence in 1958 when it was conveyed in its current configuration by deed dated October 28, 1958 and recorded in the Registry at *Volume 1352, Page 483*.
- 5. The lot to the east of the subject property is shown as *Map 5, Lot 52* on the Town of Amherst tax maps and enjoys frontage on Amherst Street, a public road.
- 6. Similarly, deed records in the Registry indicate that the adjacent lot that has frontage *(Map 5, Lot 52)* also was in existence and was conveyed in its current configuration by deed dated January 18, 1954 and recorded in the Registry at *Volume 1379, Page 253*.

## - Ownership of both lots

- 7. Registry records indicate that <u>both</u> of the two above referenced properties came into the common ownership of *Rough Diamond Development*, *LLC* (a limited liability company of which John F. Dunn is the manager) by virtue of a deed dated May 30, 2003 and recorded in the Registry at *Volume 6944*, *Page 1838*.
- 8. In 2007, *Rough Diamond Development, LLC* conveyed only *Lot 5-52* to its principal John F. Dunn by deed recorded in the Registry at *Volume 7883, Page 0568*.

#### - The Easement

- 9. In 2012, John F. Dunn recorded a unilateral instrument creating an *Access and Utility Easement* that was for the benefit of *Lot 5-51* and burdened *Lot 5-52*, thus creating a right in the future owner of the landlocked parcel access to Amherst Street across *Lot 5-52* (the frontage lot).
- 10. The instrument creating the easement is recorded in the Registry at *Volume 8457*, *Page 2007* and the terms of the easement include the right to construct utilities and other improvementrs on the easement in order to facilitate the development of the landlocked parcel.
- 11. The Plan (*Plan No. 37455*) depicts the easement.
- 12. The subject property is clearly a lot that existed in its current configuration prior to the passage of zoning in the Town of Amherst.
- 13. State law protects existing 'uses' from the adoption of zoning regulations, provided that the 'use' was in existence prior to the passage of the regulation. (RSA 674:19)

#### - Relevant Ordinance and Statute Provisions

The legal issue surrounding this parcel implicates <u>both</u> state statutes and the local zoning ordinance, pertinent sections of which are set forth in the following paragraphs.

- Relevant Town Zoning Ordinance Provisions
- - § 4.2 'Lot of Record'
- 14. As is typical in most zoning ordinances, the Amherst Zoning Ordinance ('AZO) contains a 'grandfather' or 'savings' clause, which provides some relief from subsequently adopted zoning provisions for a 'lot of record':
  - '... § 4.2 Any lot of record (See Art. IX, Sec. 9.1, Definitions, Lot of Record) in the Town of Amherst prior to the effective date of this section may be occupied by any use permitted in its zoning district, regardless of its size, provided it meets all applicable zoning setback, building, and water pollution control regulations for the Town of Amherst. Such lots shall provide for access on a publicly or privately maintained road. ...'. (Emphasis supplied).
- - § 4.3 Area and Frontage Requirements for lots in the RR district
- 15. Dimensional restrictions applicable to lots in the RR district are contained at § 4.3

## "... § 4.3 C. AREA AND FRONTAGE REQUIREMENTS.

- 1. The minimum lot area shall be two (2) acres. The minimum area shall contain no wetland as defined in Art. IV, Sec. 4.11, no flood plain as defined in Art. IV, Sec. 4.10, and no slopes greater than twenty percent (20%). ...
- 2. Each new lot shall have a minimum frontage of two hundred (200) feet on a publicly maintained road, unless frontage has been approved and recorded as reduced frontage lot/s; in which event, thirty-five (35) feet shall be sufficient. ...'.
- - § 9.1 Definitions of Terms
- 16. The definitions section of the AZO defines several terms that are pertinent to this issue:

## **'... § 9.1 - Definitions**

<u>Frontage</u>. The continuous distance of any property line of a lot which abuts a legally accessible public street as classified by RSA 229:5, or a private road approved by the Planning Board. ...

<u>Lot of Record.</u> A distinct tract of land recorded in a legal deed <u>and plan</u> filed in the records of Hillsborough County, New Hampshire. ...

Private Road. A road constructed to the Town of Amherst Subdivision

Standards but that may have a reduced width right-of-way and roadway surface. The Planning Board shall require adequate covenants, restrictions, and agreements including a Home Owners Association to ensure that the Town will have no liability or responsibility to maintain said road. ...

<u>Private Road.</u> A road or road system layout, on private property, from the public road to the development. Such private property and private road shall be permanently encumbered with deed restrictions, satisfactory to Town Counsel, which shall insure that the private road does not become a Town road. ...'. (Emphasis supplied).

- Relevant Statutory Provisions

Additionally, there are several state statutes which are also pertinent to this issue.

- - RSA 674:19 'Savings' clause in state enabling statute
- 17. A statute provides protection for <u>structures and/or uses</u> that were in existence at the time of the adoption of a zoning ordinance. It is important to note that this statute does not protect existing lots from subsequent zoning changes. By contrast, the comparable <u>town</u> ordinance section that is cited above does, indeed, provide some limited protection from subsequent zoning amendments for existing lots, assuming they meet the definition of a 'lot of record'.
  - "... <u>RSA 674:19</u> A zoning ordinance adopted under RSA 674:16 shall not apply to <u>existing structures</u> or to the <u>existing use</u> of any building. It shall apply to any alteration of a building for use for a purpose or in a manner which is substantially different from the use to which it was put before alteration. ...".
- - RSA 674:41 Building Permits on Class VI and Private Roads
- 18. **RSA 674:41,** prohibits construction on a lot unless the lot has frontage on a public road and uses that frontage as the means of access.
  - "... I. From and after the time when a planning board shall expressly have been granted the authority to approve or disapprove plats by a municipality, as described in RSA 674:35, no building shall be erected on any lot within any part of the municipality nor shall a building permit be issued for the erection of a building unless the street giving access to the lot upon which such building is proposed to be placed:
    - (a) Shall have been accepted or opened as, or shall otherwise have received the legal status of, a class V or better highway prior to that time; or
    - (b) Corresponds in its location and lines with:

- (1) A street shown on the official map; or
- (2) A street on a subdivision plat approved by the planning board; or
- (3) A street on a street plat made by and adopted by the planning board; or
- (4) A street located and accepted by the local legislative body of the municipality, after submission to the planning board, and, in case of the planning board's disapproval, by the favorable vote required in RSA 674:40; or

## (c) Is a class VI highway, provided that:

- (1) The local governing body after review and comment by the planning board has voted to authorize the issuance of building permits for the erection of buildings on said class VI highway or a portion thereof; and
- (2) The municipality neither assumes responsibility for maintenance of said class VI highway nor liability for any damages resulting from the use thereof; and
- (3) Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds; or

## (d) Is a private road, provided that:

- (1) The local governing body, after review and comment by the planning board, has voted to authorize the issuance of building permits for the erection of buildings on said private road or portion thereof; and,
- (2) The municipality neither assumes responsibility for maintenance of said private roads nor liability for any damages resulting from the use thereof; and
- (3) Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds for the lot for which the building permit is sought; or
- (e) Is an existing street constructed prior to the effective date of this subparagraph and is shown on a subdivision plat that was approved by the local governing body or zoning board of adjustment before the municipality authorized the planning board to approve or disapprove subdivision plats in accordance with RSA 674:35, if one or more buildings have been erected on other lots on the same street.
- II. Whenever the enforcement of the provisions of this section would entail

practical difficulty or unnecessary hardship, and when the circumstances of the case do not require the building, structure or part thereof to be related to existing or proposed streets, the applicant for such permit may appeal from the decision of the administrative officer having charge of the issuance of permits to the zoning board of adjustment in any municipality which has adopted zoning regulations in accordance with RSA 674, ... in accordance with RSA 674:14 and 674:15, including the requirement for a public hearing. ...

*II-a.* ...

III. This section shall supersede any less stringent local ordinance, ... and no existing lot or tract of land shall be exempted from the provisions of this section except in accordance with the procedures expressly set forth in this section. For purposes of paragraph I, "the street giving access to the lot" means a street or way abutting the lot and upon which the lot has frontage. It does not include a street from which the sole access to the lot is via a private easement or right-of-way, unless such easement or right-of-way also meets the criteria set forth in subparagraphs I(a), (b), (c), (d), or (e)...

## IV. ...'. (Emphasis supplied).

- 19. This statute applies throughout the state and was originally developed in order to provide against construction on Class VI roads, especially in towns that had no other land use code provisions that addressed that issue and the justification was to avoid having the cost of highway maintenance increasing as property on Class VI roads was developed without any controls.
- 20. This statute also provided for a waiver of the prohibition pursuant to a process which allows the Selectboard (subject to considering non-binding recommendations of the planning board) to issue a permit on a case by case basis, provided the applicant submitted recorded documentation that absolved the town of liability for road maintenance.<sup>1</sup>
- - Relevant Case Law
- 21. <u>Morgenstern v Town of Rye</u> 147 NH 558; 794 A2d 782 (2002) is a NH Supreme Court decision which continued to follow the majority rule that holds that an unimproved lot is NOT protected from subsequent zoning changes unless the owner has made substantial improvements on the property prior to the adoption of the zoning change or, unless, the lot is otherwise protected by the 'grandfather' or 'savings' clause in the local zoning ordinance.
- 22. The following quote is a pertinent excerpt from that decision:
  - "... Generally speaking, a property owner has no right to the continued existence

See RSA 674:41(I)(a) and RSA 674:41(I)(c).

of any particular zoning classification of his property, because all property is held in subordination to the police power of the municipality. [citations omitted] Special problems arise, however, when zoning regulations increase frontage and area requirements and landowners are left with substandard lots. Strict and literal enforcement of stringent regulations regarding lot size would make some such lots useless to their owners and to the community, and would destroy the value of such lots, making strict application of the ordinance confiscatory. (citations omitted). To avoid this result, some ordinances provide relief for the owner of a legally recorded lot rendered substandard by the ordinance by way of a savings clause exempting such lots from the ordinance's area and frontage requirements. (citations omitted). ...'.<sup>2</sup>

## Analysis and Opinion

## Applicability of RSA 674:41

As the state law (RSA 674:41) indicates, the general rule provides that when a building permit is sought for a lot that has no frontage on any public road, class V or better, the use of a private easement would be insufficient to overcome the requirements of the state law cited above. This statute applies throughout the state and was originally developed in order to provide against construction on Class VI roads, especially in towns that had no other land use code provisions that addressed that issue and the justification was to avoid having the cost of highway maintenance increasing as property on Class VI roads was developed without any controls. Additionally, the statute expressly indicates that it '... shall supersede any less stringent local ordinance, ... and no existing lot or tract of land shall be exempted from the provisions of this section except in accordance with the procedures expressly set forth in this section. ... '.'

Thus, irrespective of any 'savings' or 'grandfather' clause in the language in the AZO, a party seeking a building permit on the subject parcel <u>must</u> obtain an approval from the Selectboard waiving the general prohibition in the statute. The Selectboard is not required to grant such a waiver, but, if it does so (following 'review and comment by the planning board, the statute requires that:

'... (2) The municipality neither assumes responsibility for maintenance of said private roads nor liability for any damages resulting from the use thereof; and (3) Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds for the lot for which the building permit is sought; ....'

Originally, that statute was only applicable to construction on Class VI roads. However, this

<sup>&</sup>lt;sup>2</sup> Morgenstern v Town of Rye 147 NH 558, 563; 794 A2d 782, 787; (2002).

<sup>3</sup> RSA 674:41 (III) - (Emphasis supplied).

<sup>4</sup> RSA 674:41 (III) - (Emphasis supplied).

statute has been amended over the years so that it now extends to private roads and, more recently, even to private easements, provided the liability documentation was provided. Thus, it is clear that the applicant must seek a waiver from this statute from the Selectboard.

## Applicability of AZO § 4.2 and 4.3

While it is clear that an applicant wishing to build on the subject lot <u>must</u> seek Selectboard approval under *RSA 674:41*, the next question is whether the applicant must <u>also</u> seek a variance from the ZBA as a result of the lack of frontage or whether the 'grandfather' clause in *§ 4.3* provides relief from this requirement. That clause is set forth:

"... § 4.2 - Any lot of record (See Art. IX, Sec. 9.1, Definitions, Lot of Record) in the Town of Amherst prior to the effective date of this section may be occupied by any use permitted in its zoning district, regardless of its size, provided it meets all applicable zoning setback, building, and water pollution control regulations for the Town of Amherst. Such lots shall provide for access on a publicly or privately maintained road. ... '. (Emphasis supplied).

This section provides protection for 'uses' and, if the lot conforms to the definition of a 'lot of record', expressly protects such a lot that is undersized from subsequent zoning changes increasing the minimum lot size. However, the clause also expressly requires adherence to certain other dimensional requirements (although silent as to 'frontage'), and expressly requires '... access on a publicly or privately maintained road. ...'.

The AZO defines a 'lot of record' as

"... Lot of Record. A distinct tract of land recorded in a legal deed and plan filed in the records of Hillsborough County, New Hampshire. ...". (Emphasis supplied).

The records in the Registry clearly demonstrate that the subject lot was in existence and transferred by a 'legal deed' well before the adoption of the AZO. However, that lot was never depicted in that manner on any plan recorded before the effective date of the AZO. As noted above, the lot is <u>currently</u> depicted on a plan that constitutes a boundary survey and is also the plan that depicts the easement. This plan was recorded well after the effective date of the AZO and has never been approved by the planning board. § 4.2 limits its applicability to lots which constituted a lot of record '... prior to the effective date of this section ...'. Thus, in the first instance, the lot does not appear to qualify as a 'lot of record'.

Even if it could be argued that the later recorded plan somehow satisfied the definition requirement of a 'plan', it is my opinion that this lot is not protected from subsequently adopted zoning changes for reason of the fact that it lacks '... access on a publicly or privately maintained road. ...'. Accordingly, it is my opinion that the owner, in order to qualify for a building permit must also procure a variance from the ZBA providing relief from the frontage requirement.

I hope this is helpful and trust that you will let me know if you have any questions or

comments.

Very truly yours,

William R. Drescher

#### 674:41 Erection of Buildings on Streets; Appeals. -

- I. From and after the time when a planning board shall expressly have been granted the authority to approve or disapprove plats by a municipality, as described in RSA 674:35, no building shall be erected on any lot within any part of the municipality nor shall a building permit be issued for the erection of a building unless the street giving access to the lot upon which such building is proposed to be placed:
- (a) Shall have been accepted or opened as, or shall otherwise have received the legal status of, a class V or better highway prior to that time; or
- (b) Corresponds in its location and lines with:
- (1) A street shown on the official map; or
- (2) A street on a subdivision plat approved by the planning board; or
- (3) A street on a street plat made by and adopted by the planning board; or
- (4) A street located and accepted by the local legislative body of the municipality, after submission to the planning board, and, in case of the planning board's disapproval, by the favorable vote required in RSA 674:40; or
- (c) Is a class VI highway, provided that:
- (1) The local governing body after review and comment by the planning board has voted to authorize the issuance of building permits for the erection of buildings on said class VI highway or a portion thereof; and
- (2) The municipality neither assumes responsibility for maintenance of said class VI highway nor liability for any damages resulting from the use thereof; and
- (3) Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds; or (d) Is a private road, provided that:
- (1) The local governing body, after review and comment by the planning board, has voted to authorize the issuance of building permits for the erection of buildings on said private road or portion thereof; and
- (2) The municipality neither assumes responsibility for maintenance of said private roads nor liability for any damages resulting from the use thereof; and
- (3) Prior to the issuance of a building permit, the applicant shall produce evidence that notice of the limits of municipal responsibility and liability has been recorded in the county registry of deeds for the lot for which the building permit is sought; or
- (e) Is an existing street constructed prior to the effective date of this subparagraph and is shown on a subdivision plat that was approved by the local governing body or zoning board of adjustment before the municipality authorized the planning board to approve or disapprove subdivision plats in accordance with RSA 674:35, if one or more buildings have been erected on other lots on the same street.

- 1 In attendance: Doug Kirkwood Chair, Robert Rowe Vice Chair, Jamie Ramsay –
- 2 Secretary/Treasurer, Charlie Vars, Danielle Pray, and Tim Kachmar (Alternate).
- 3 Staff present: Natasha Kypfer, Town Planner, and Kristan Patenaude, Minute Taker.

4

- 5 Prior to the meeting being called to order, but with the public present and meeting being
- 6 recorded, Bob Rowe stated that he was appalled at not having recent a paper packet for this
- 7 evening's meeting. He stated that he cannot sit for the meeting, as he has not reviewed the
- 8 electronic copies of the information that were sent to him. He also doesn't understand why the
- 2 ZBA cannot meet in-person for these meetings. The decision to meet via Zoom was never
- 10 discussed by the group and he doesn't believe that this format works for ZBA meetings.

1112

Doug Kirkwood explained that the ZBA and Town are following the Governor's protocols by not meeting in-person at this time.

13 14

15 Bob Rowe stated that he believes the ZBA could meet and be socially distant.

16

17 Charlie Vars stated that he was able to obtain a hard copy of the meeting packet by calling Town 18 Hall. He also feels uncomfortable receiving an electronic copy only.

19

- 20 Doug Kirkwood stated that he is uncomfortable with the volume of information being provided
- 21 to ZBA members in the packets. He takes issue with the options listed for the ZBA to take after
- 22 hearing a case. He believes this is the Community Development Director working in an
- 23 advanced fashion, as the ZBA should not be told how to act. He will discuss this further with the
- 24 Community Development Director.

2526

Charlie Vars stated that the directive to only send out packets electronically did not come from the Community Development Office, but rather from upstairs at Town Hall.

272829

Doug Kirkwood agreed that electronic copies are hard to follow. He has an issue with suggestions being made for the ZBA as to how to make up their minds on cases.

30 31 32

- Doug Kirkwood called the meeting to order at 7:20 pm., with the following statement. As
- Chair of the Amherst Zoning Board of Adjustment, I find that due to the State of Emergency
- declared by the Governor as a result of the COVID-19 pandemic and in accordance with the
- Governor's Emergency Order #12 pursuant to Executive Order 2020-04, this public body is
- authorized to meet electronically.
- Please note that there is no physical location to observe and listen contemporaneously to this
- meeting, which was authorized pursuant to the Governor's Emergency Order.
- However, in accordance with the Emergency Order, I am confirming that we are:
- 40 Providing public access to the meeting by telephone, with additional access possibilities by
- video or other electronic means:
- We are utilizing Zoom for this electronic meeting.

43

All members of the Board have the ability to communicate contemporaneously during this meeting through this platform, and the public has access to contemporaneously listen and, if necessary, participate in this meeting through dialing the following phone #312-626-6799 and password 879 7485 2721, or by clicking on the following website address: https://zoom.us/j/87974852721 that was included in the public notice of this meeting.

Providing public notice of the necessary information for accessing the meeting: We previously gave notice to the public of the necessary information for accessing the meeting, including how to access the meeting using Zoom or telephonically. Instructions have also been provided on the website of the Zoning Board of Adjustment at: www.amherstnh.gov.

Providing a mechanism for the public to alert the public body during the meeting if there are problems with access: If anybody has a problem, please call 603-440-8248.

Adjourning the meeting if the public is unable to access the meeting: In the event the public is unable to access the meeting, the meeting will be adjourned and rescheduled.

Please note that all votes that are taken during this meeting shall be done by roll call vote.

Let's start the meeting by taking a roll call attendance. When each member states their presence, please also state whether there is anyone in the room with you during this meeting, which is required under the Right-to- Know law.

Roll call attendance: Jamie Ramsay, Danielle Pray, Charlie Vars, Robert Rowe, Tim Kachmar, and Doug Kirkwood – all present and alone.

Doug Kirkwood explained that Jamie Ramsay, Secretary, will read and open each case and then the applicant will have a chance to speak to it. The ZBA will then carry out its business for each case, including: asking questions, hearing from the public and abutters, going into private deliberations, and potentially voting.

## **NEW BUSINESS:**

 1. CASE #: PZ12820-070220 - VARIANCE
Co-Ad Realty LLC (Owner & Applicant) Amherst Street, PIN #: 05-051-000 Request for relief from Article IV, Section 4.3, Paragraph C to construct a singlefamily residence on a lot without frontage via an existing right of way. Zoned
Residential Rural.

Jamie Ramsay read and opened the case.

<mark>86</mark>

Page 2 of 18 approved)

Minutes approved: (enter date when

Tom Quinn, Esq., joined the meeting. He explained that he is representing Co-Ad Realty in this case and that Adam Vaillancourt, owner of Co-Ad Realty, and Dave Hall are joining him.

<mark>87</mark>

Tom Quinn, Esq., explained that the property was purchased from Rough Diamond in 2012. The property is currently under agreement and has been since February. The contract has been extended since this time and is contingent on tonight's meeting. The property is located at Map 5, Lot 51, and is approximately 9.93 acres. The plan has been recorded at the Registry of Deeds. The property lacks frontage, but there is access to the lot over an existing driveway that crosses Map 5, Lot 52. The property has an easement over this area. The property has existed as a separate parcel since at least 1957. The two lots were conveyed with the existing right of way before 1957, he believes, it was just not in the language of the deeds at that time.

Tom Quinn, Esq., explained that the lots were conveyed to John Dunn in 2007. At this time, access to the lot was declared via the easement. In March, an application was filed with the Board of Selectmen for a waiver restriction against RSA 674:41, that a building permit will not be allowed on a property without frontage on a Class V road or better. This application was hung up, as the Board of Selectmen needed to discuss it with the Planning Board. In the Board's opinion, the applicant needs both a variance and a waiver. Thus, the applicant moved forward with the variance application first. This will still need to go back before the Planning Board and Board of Selectmen.

Tom Quinn, Esq., explained that, per a 2007 Supreme Court case, it is appropriate to address the two tests regarding the application being contrary to public interest and the application addressing the spirit of the ordinance as one. He explained that any variance is technically contrary to the public interest in some sense, and so the ZBA's job is to determine if granting the application unduly and to a marked degree conflicts with the ordinance. There are two tests to determine if that standard is met:

- 1) If the variance alters the essential character of the neighborhoods
- 2) If the variance effects the health, safety, and welfare of the public

1) Tom Quinn, Esq., explained that he does not believe this request for a variance alters the essential character of the neighborhood. He explained that the property is located in the Residential/Rural district, where single-family homes are permitted and the minimum lot size is two acres. This property has approximately 10 acres and the request is to build one single-family residence. There is an apartment complex that abuts this lot, and some of the nearby lots are smaller than two acres. It is not uncommon in Town to have access to a lot via an access easement. There is nothing in this application that alters the essential character of the neighborhood.

2) Tom Quinn, Esq., stated that he does not believe this request for a variance effects the health, safety, and welfare of the public. This request is for a single-family residence on a 10 acre lot, simply because the lot lacks frontage. This residence will meet all other requirements, including: septic, setbacks, stormwater, etc. There will be no significant impact on traffic and there are good sight distances at the end of the driveway onto the t.

Page 3 of 18 approved)

August 18, 2020 **DRAFT** 

3) Substantial justice will be done because without this variance nothing can be done on the property. Any permitted use would require frontage, which this property lacks. There is little gain to the public in denying this variance. There is no corresponding benefit to the public that offsets the total lack of use of the property that denying this variance would result in for his client.

- 4) The values of the surrounding properties will not be diminished. Tom Quinn, Esq., explained that this will be a nice house located in a residential neighborhood, within the permitted uses of the zone. It will not diminish the values of the surrounding properties.
- 5) Literal enforcement of the provisions of the Ordinance would result in an unnecessary hardship because this is unlike any other property in the area, as it is a separate and distinct lot. This lot has been around forever and has always been accessed by the existing easement right of way. This grants legal access to the property. This access point predates the current zoning and zoning provisions. The current zoning is to prohibit the proliferation of back lots, excessive density, and curb cuts but none of these items are at issue here. This variance does not interfere with the ordinance because it is the only back lot in the area. The land is adequate to handle this request without an adverse impact to the neighbors or Town. Shared driveways are also not uncommon in Town.

Tom Quinn, Esq., stated that the proposed use is reasonable (a single-family residence on 10 acres), in a zone that allows it, and which the lot has legal access to. It would be a hardship if the variance was denied, as there would be no reasonable use of the property at all.

In response to a question from Doug Kirkwood, Tom Quinn, Esq., explained that he is unsure of the exact sight distance at the end of the shared driveway.

Charlie Vars noted that he had a client who was also interested in this property. He does not believe this should lead him to recuse himself from this case.

## **Public Comment:**

Brenda Lockwood, 112A Amherst Street, stated that she is the abutter whose driveway the right of way passes over. She has grave concerns about this request. She believes it will be a hardship to her and overburden the land. She explained that she has records from when the land was purchased from John Dunn that shows a map of the wetland permit plan, dated December 31, 2004. In the notes section of the map, it states that the proposed minor subdivision is accessed via an existing "cart path." She is nervous that the owner will eventually sell the property and another variance will be sought to place another home on the property. The property is full of wetlands and wildlife. She also has concerns with the supposed sight line at the end of the shared driveway. Her tenant, who also lives on the property, cannot easily see when exiting the driveway, and Amherst Street has a 40mph speed limit to enter onto. She doesn't believe that all of the abutters received proper notification for this hearing. She believes that her property will lose value because the easement runs so close to her house. She questioned who would purchase

a piece of land that lacks frontage, knowing what the Town regulations are. She is surprised that 175

176 the builder would still purchase this lot and put the burden on the other abutting homeowners. 177

She requested that the ZBA not approve the variance and, if they do, to restrict the property to

178 one single-family home forever. She also requested that the ZBA come out and look at the

179 property and the wetlands on the property.

180 181

182

**183** 

184 185 Tom Quinn, Esq., stated that the map referenced by Brenda Lockwood correctly calls the right of way a "cart path." However, in the easement plan from 2010 the location of the driveway is shown as a 35' wide easement. This hugs the southern boundary of the property and goes straight back. This is referenced in the easement document and deed. In regards to restricting the property to one, single-family house, Tom Quinn, Esq., explained that that is all that is being applied for in this case. He has no objections to that condition.

186 187 188

189

190

191

Deborah Duranceau, 112B Amherst Street, stated that she is the tenant of Brenda Lockwood. She believes that the 35' easement will probably take away all of the woods and trees planted. This is also in an area where local children play. She stated that she has almost been side-swiped by construction trucks in the area. She disagreed that there is a good line of sight at the end of the shared driveway.

192 **193** 194

195

Tom Quinn, Esq., noted that the potential buyer is responsible and will not be running construction trucks at an excessive speed. He understands some of the abutters concerns, but stated that the speed requirement could always be a condition of the approval.

196 197 **198** 

199

200

Sri Kalyan, 2 Founder's Way, stated that he built his property within the last year with builder, Ben Chandler. When he bought his property, he was told that the land behind it was nonconstructible. He purchased the land in part because he didn't want to lose the back half of the view. This variance would impact his view, and the value of his property.

201 202 203

<mark>204</mark>

Tom Quinn, Esq., stated that Map 5, Lot 47 abuts this property to the back, and Map 5, Lot 46 is a back lot to the property. Access to both of these lots is not over any frontage, but over the apartment complex property.

205 **206** 207

**208** 

David Hall, 8 Elizabeth Lane, Mont Vernon, the listing agent for the property questioned when Brenda Lockwood received approval for the rental apartment on her property. He also questioned if Brenda Lockwood went through the driveway permit approval process through the Town.

209 210 211

In response to a question from Jamie Ramsay, Tom Quinn, Esq., stated that there are quite a few properties fronting on Founder's Way that share lot lines with the property in question.

<mark>212</mark> 213 <mark>214</mark>

215

Brenda Lockwood noted that these properties are within the Historic District and that there will a certain image that the community has about this area. She also explained that the apartment on her property has been there since John Dunn owned the land.

<mark>216</mark> 217

In response to a question from Danielle Pray regarding the amount of land within the 10 acres that is buildable versus wetlands, Tom Quinn, Esq., stated that the engineering on the property isn't yet complete. He explained that Rough Diamond originally planned a two lot subdivision on the property and went to the State for two wetland crossing permits and to the Planning Board for a stormwater management plan. He is not sure if those wetland crossings were installed, but the permits were obtained.

224 225

<mark>226</mark>

Jamie Ramsay stated that, subject to verification, the stormwater management plan and the wetland crossing permits were both executed before the sunset dates of the permits. He believes the crossings were installed and that there is legal access into the rear of the property.

227228229

Brenda Lockwood stated that she has seen those permits/maps and that the proposal will ruin the view of this part of the property. She also explained that one would need to drive through all of the wetlands on the property to get to the two acre section being proposed to build on.

231232233

230

In response to a question from Charlie Vars, Tom Quinn stated that once an easement is granted on a property, there is legal access to the property and no way to stop that access.

234235236

Charlie Vars noted that the only issue on this property is the frontage. The owner purchased the property with knowledge of the easement.

237238239

Tom Quinn stated that the property owner should not be stopped simply because the granting of the variance will not enhance someone else's view. He stated that the owner has a right to build on his property. The only way to ensure that a property is not built on, is to buy it.

241242243

244245

<mark>246</mark>

<mark>247</mark>

**248** 

240

Bennett Chandler, 6 Wildwood Drive, Brookline, NH, stated that he is the builder and representative for Sri Kalyan. He stated that this variance will diminish the value of Sri Kalyan's property. He noted that the proposed property was purchased for \$22,000 with the price reflecting an unusable back lot. If this variance is granted, this becomes a \$250,000-300,000 lot. He questioned if this property is being taxed as a buildable lot or open space. He believes that this will be similar to winning the lottery for the owner, if the variance is granted, as the property is essentially useless without it and will be turned into a high value piece of property with it.

249250251

Brenda Lockwood again asked the ZBA to come view the property before voting. Even though this is a legal easement, she believes the variance will allow for overcrowding on the land.

252253254

Doug Kirkwood noted that the ZBA does not usually do site walks unless absolutely necessary, but will take the request into consideration.

255256257

Robert Rowe left the meeting.

<mark>261</mark>

2. CASE #: PZ12860-070820 - VARIANCE Linda L. Robinson, Trustee (Owner & Applicant) 312 Boston Post Road, PIN #: 004-011-000 - Request for relief from Article IV, Section 4.3, Paragraph D 2&3 to

Page 6 of 18 approved)

Minutes approved: (enter date when

construct a detached two-car garage a distance of more than 50' from the edge of Post Road and a distance of 31.1' from the edge of North Meadow Road and with a maximum height of 23 feet. Zoned Residential Rural.

Tom Quinn, Esq., representing Linda L. Robinson, Trustee, stated that the applicant owns approximately 4.78 acres with an existing residence and barn at 312 Boston Post Road. The existing structures meet all of the current requirements. The property is a corner lot. The ZBA previously ruled that additional structures on the property must maintain a setback of 50' from Boston Post Road and North Meadow Road, and a maximum structure height of 22'.

Tom Quinn, Esq., explained that the property lacks a garage. The proposal is to construct a 28'x32' garage in the location shown on the plan, in the northeast corner of the property. The proposed garage would be 31.1' from North Meadow Road, with a proposed height of 22'9". He has rounded this number up to 23', as Bill Coco, builder, is content with that margin of error. The requested variance is for the less than 50' setback and the extended height of the structure.

Tom Quinn, Esq., explained that he will, again, be addressing the first two tests together, as he did with the previous case.

1&2) Tom Quinn, Esq., explained that the property is located in the Residential/Rural zone. Being proposed is a two bay garage for residential use. He believes that the fact that the proposed garage meets 30' setbacks should be satisfactory in this case. The proposed garage sits on an open woodland part of the property. In general, the property is very wooded and the owners take great care of the property. He explained that the proposed garage location has been marked for quite a while and that it should be of no surprise to the neighbors as to where it will be located.

Tom Quinn, Esq., explained that, as one travels down Boston Post Road, the properties on the east are at a higher elevation than those on the west. This should be a significant factor in the proposed height of the property, as, even at 23', the garage will still sit below the height of buildings on the other side of the street. Thus, the garage will not visually be noticed significantly. This proposal will not change the essential character of the neighborhood. The existing property is beautiful and is beautifully maintained. The addition of a garage will enhance the property and the neighborhood. Reducing the setback will cause no danger to the health, safety, or welfare of the public. There is a stop sign at the intersection where the property is located, and about 50-60' between the proposed location of the garage and the stop sign. The proposed garage will not interfere with the sight line at this intersection.

3) Tom Quinn, Esq., explained that substantial justice will be done because the proposed position of the garage on the property causes the least undermining of existing trees. Every garage also needs a turning radius, and this location offers a place for a small apron in front. Linda Robinson's husband also has a chronic health condition, and they would like to be able to enter the house easily from the garage, instead of it being far away. He also explained that

August 18, 2020 **DRAFT** 

there is no benefit to the public in denying the variance that outweighs the loss to the applicant to be able to build the proposed garage in a feasible location.

- 4) Tom Quinn, Esq., stated that the proposed garage will not diminish nearby property values. The neighborhood is fairly uniform in terms of quality and value of the houses, with exception of the property in question, which is exceptionally nice.
- 5) Tom Quinn, Esq., explained that a hardship to the applicant is the house's orientation. The house's driveway is on the east side of the property, so the garage could logically be placed there. The west side of the property experiences a significant drop in terrain, and also holds the leach field. The proposed garage sitting approximately 20' closer to the road than required is not inconsistent with the spirit of the ordinance. The garage is otherwise a reasonable use of the land and allows for substantial compliance.
- Charlie Vars noted that if the garage roof was pitched 10/12, instead of 11/12, the total height would be about 21'6" and no variance would be necessary. Tom Quinn, Esq., explained that a lower pitch would mean that the windows above the doors would need to be eliminated. The currently proposed windows match the barn windows and help to integrate the garage with the property.
  - In response to a question from Charlie Vars, regarding proving hardship when the pitch of the roof could be adjusted to meet the height requirements, Tom Quinn, Esq., explained that his client prefers the proposed pitch and style of the garage.
- In response to a question from Jamie Ramsay, Tom Quinn, Esq., stated that the proposed garage has a footprint of 28'x32'. The 28' end is the gable end and runs north-to-south, and the 32' end runs in an east-to-west direction.

## Public Comment:

Shane Humphreys, 5 North Meadow Road, stated that he lives directly across from the property in question. He gives his full support towards granting the variance. He stated that the Robinsons do an incredible job with their yard and their house is impeccable. Anything the Robinsons do to their property, he believes will increase the value of his property. He explained that the area is very wooded and doesn't believe most will even know the garage is there. He stated that the plans go well with the rest of the property and that it will be in the best interest of the community and the neighborhood to grant the variance.

## 3. CASE #: PZ12864-071020 - VARIANCE

Keith and Barbara Allen (Owners & Applicants) 5 Milford Street, PIN #: 025-083-000, & Stacey B. McMahon (Owner) 9 Milford Street, PIN #: 025-081-000 - Request for relief from Article IV, Section 4.3, Paragraph C 1&2, D 1,2,3&4 to enter into a lot line adjustment whereby 765 square feet of land will be removed from Lot 25-81 and added to Lot 25-83. Zoned Residential Rural.

The Board confirmed that this application has been withdrawn at this time.

Page 8 of 18 approved)

#### 4. CASE #: PZ12945-072920 - VARIANCE

Sara Melone (Owner) & The Tree of Life Interfaith Temple, Inc. (Applicant) 5 Northern Blvd. Unit #8, PIN #: 002-504-008 – Request for relief from Article V, Section 4.9, Paragraph A to lease with the intent to purchase to use for religious services and support of members. Zoned Industrial.

May Balsama, of Berkshire Hathaway, Karen Manchester Adminstrator for the Tree of Life Interfaith Temple, and Linda Goodman, presiding Minister for The Tree of Life Interfaith Temple, joined the meeting.

May Balsama explained that this condo came on the market and was attractive to the temple, as the group used to use it as a meeting space on a regular basis, up until about two year ago. The condo has the proper number of rooms and space that meets the temple's need for offering counseling to its membership.

May Balsama read through the applicant's explanations of the five tests:

1) Granting this variance to The Tree of Life Interfaith Temple, Inc., to use the condo at 5 Northern Blvd. Unit #8 as offices and gathering space for our church and seminary is not contrary to public interest, and may even be considered beneficial to public interest. Our use of the space for public Worship Services, Client Services such as spiritual mentoring, spiritual counseling, pastoral services and the like, as well as Education and Seminary Classes, will serve to benefit and enhance the public interest. Most classes and gatherings happen in the evening hours or during weekend hours when many of the neighboring units are closed for normal business. We pose no threat to public health, safety, or welfare.

2) The spirit of the ordinance is preserved by our many offerings falling within the guidelines of the ordinance itself:

Section 4.9 Industrial Zone: A. PERMITTED USES: 8. Corporate and business offices compatible with other permitted uses in the zone and/or professional offices for individual or group practice, including doctors and dentists (including medical and dental clinics), counseling services, engineers, architects, planners, insurance, and accountants (3014078, 3-10-87).

Our Corporate/Business office, Client Services, and Educational offerings all fall within the scope of this section of the ordinance. Only our offering of public Worship Services is not explicitly permitted.

3) As most of our activities do fall within the Permitted Uses of the Industrial Zoning, and the only activity that does not would take place when most neighboring businesses are closed, there is no danger or harm, real or perceived, to any individual or to the public interest, there is nothing to weigh the benefit to The Tree of Life Interfaith Temple against/ Congregation Betenu, a Jewish Community, occupies the unit at 5 Northern Blvd. Unit #1.

Page 9 of 18 approved)

Minutes approved: (enter date when

4) Most of our gathering activities, such as Classes and Worship Services, take place in the evening and on weekends when other neighbors are closed for business. There is very little chance that our activities will adversely affect our neighbors or the condominium complex.

5) Because of the Industrial Zone restriction, when all other activities and services provided to our members and to members of the public are permitted, it is an undue burden that we would not also be able to meet for Worship Services within the confines of this space. This additional use, for gathering and worship, is both reasonable and will not alter the essential character of the neighborhood or place an undue burden on our neighbors.

May Balsama explained that she spoke with the Fire Chief during a walk through of the property, regarding any life safety codes or building needs. She explained that they are currently looking into the possibility of a chair lift for the building. The first floor is handicap accessible though.

In response to a question from Charlie Vars, May Balsama explained that the unit in question is a center unit. Karen Manchester explained that the other offices in the building are an antique seller, a chiropractor, and a consulting business. The condo docs prohibit manufacturing on site.

In response to a question from Danielle Pray, Karen Manchester stated that the Temple holds hours at 10am on Sundays, and occasionally has Saturday classes or workshops from around 9am-1pm/4pm. On Monday through Friday, the Temple holds office hours and the presiding minister holds counseling hours. Evening hours are generally held on Tuesdays and Thursdays. The Temple does not have a fall schedule set yet.

In response to a question from Charlie Vars, Karen Manchester stated that the unit is a two-story building and that it can accommodate about 33 people in the sanctuary space.

Cycling back to the second application, CASE # PZ12947-073020 – Rehearing of CASE #: PZ12445-032320 - Linda L. Robinson, Trustee of the Linda L. Robinson 2000 Trust (Owner & Applicant) – 312 Boston Post Road, PIN 004-011-000 – Request for rehearing of the Board's decision denying the Appeal of an Administrative Decision of the Town Building Official. Zoned Residential Rural., in response to a question from Charlie Vars, Tom Quinn, Esq., explained that he would withdraw the request for rehearing, if the ZBA grants a variance on this case. He would be willing to withdraw this after the 30 day appeal period for the variance is up.

In response to a question from Jamie Ramsay, Tom Quinn, Esq., stated that he would also be okay with tabling the rehearing, if the variance is granted tonight.

Tim Kachmar sat for Robert Rowe.

Charlie Vars moved to enter deliberations. Tim Kachmar seconded. Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar – aye; Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.

439	Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar – aye;
440	Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.
441	
442	<b>Discussion:</b>
443	
444	Jamie Ramsay explained that any issue with the sight line or access onto Amherst Street,
445	would ultimately be decided by the Community Development Office/Building
446	Official/Police Department. This is not a ZBA item to focus on.
447	
448	The group discussed that the easement is legal and grants access to the site.
449	
450	In response to a question from Danielle Pray, Jamie Ramsay stated that he believes the
451	wetland crossings were put in on site and that the area is basically high and dry walkable
452	from Amherst Street to the back of the lot. If the wetland crossings are not in place, the
453	applicant will need to go through that permitting process again.
454	1 771 177 111 41 4 4 4 1 1 1 1 4 4
455	1. The Variance will not be contrary to the public interest.
456	• C. Vars – true, this will be a single-family residence and the owner has a right to
457	build on the lot.
458	• J. Ramsay – true, this appears to be a small, practical build, the envelope of which
459	will not endanger the health, safety, or welfare of the public.
460	• T. Kachmar– true, this proposal will not be contrary to the public interest. There is no
461	access except through the easement, making it hard for the property to require
462	frontage in order to build.
463	• D. Pray– true, this proposal is not contrary to the public interest and does not alter the
464	essential character of the neighborhood.
465	• D. Kirkwood – true, the lot size is 10 acres and if the build is placed toward the back
466	of the lot, it will not disturb the wetlands.
467	<mark>5 True</mark>
468	
469	2. The Variance is consistent with the spirit and the intent of the Ordinance
470	• T. Kachmar – true, there is a legal easement in place. This ordinance applied but
471	cannot be enforced on this lot due to existing conditions.
472	• D. Pray – true, she doesn't believe that a single-family home will crowd the land. She
473	also doesn't believe it will create traffic issues.
474	• C. Vars – true, the proposal will not alter the neighborhood. If the proposed residence
475	is built well back on the lot it may not even be seen by the front two abutters.
476	• J. Ramsay – true, he believes the proposed residence will be well back on the
477	property and thus the spirit of the ordinance is observed.
478	• D. Kirkwood – true.

<mark>513</mark>	• T. Kachmar– true.	
<b>514</b>		ss to this land is granted through the easement
<b>515</b>		s a unique situation and speaks to a problem
<b>516</b>	with applying the ordinance.	
<b>517</b>	5 True	
<mark>518</mark>		

In response to a question from Danielle Pray, Doug Kirkwood explained that, if the access road was to be rerouted, the easement would need to be rewritten as well as the deed. He also doesn't believe that the access road can be moved much closer to the property line than it already is.

<mark>519</mark>

<mark>520</mark>

<mark>521</mark>

Jamie Ramsay noted that, with an access easement, the owner has the right to use the access way as needed to get from point A to B.

524 525

**526** 

Charlie Vars suggested that a condition could be that the entrance off Amherst Street needs to be in the same location as the current driveway. This will push the access road slightly to the left, and make sure that a second driveway isn't created.

527 528 529

**530** 

531532

The Chair stated that the application, as it passed all of the tests, is granted with the following conditions:

- 1. That the property is to be kept to one single-family dwelling.
- 2. That the entrance to the property and easement coincide with the current curb cut off Amherst Street.

533534535

536537

## CASE #: PZ12860-070820:

Jamie Ramsay moved no regional impact. Danielle Pray seconded. Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar– aye;

Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.

538 539

#### **Discussion:**

540 541 542

Jamie Ramsay noted that, in this rural setting, an additional foot of height on the proposed garage will not be noticed. The other two existing buildings on the site are also taller than the proposed garage.

544 545 546

**543** 

1. The Variance will not be contrary to the public interest.

547548549

• D. Pray – true, this will not be contrary. Many or most of the houses in the area have garages. The incursion into the setbacks and the extra height of the proposed garage will not affect the health, safety, and welfare of the public.

550551

• C. Vars – true, the size, as stated, will not dominate the site. The proposed garage will be tucked in the trees and is located in the right spot on the site.

552553

T. Kachmar– true.J. Ramsay – true.

<mark>554</mark>

• D. Kirkwood – true.

555556

5 True

557 558

2. The Variance is consistent with the spirit and the intent of the Ordinance

559 560 • T. Kachmar – true, the purpose of this ordinance is to prevent encroachment to neighbors and the road; due to the nature of this lot, these are not issues. The neighbors also spoke about being okay with the proposal.

561

• C. Vars – true.

• J. Ramsay – true.

562563

564

• D. Pray – true, she stated that the extra foot of height on the proposed structure does not overcrowd the site.

CASE #: PZ12945-072920:

Jamie Ramsay moved no regional impact. Tim Kachmar seconded.

Page **14** of **18** approved)

Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar – aye;
Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.

#### Discussion:

Jamie Ramsay explained that this variance is necessary because the zoning ordinance never contemplated the use of this property as a place of religious education and practice. He would like to open a discussion about allowing the alternate use in this zone.

Doug Kirkwood noted that, although the desired use is not listed as permitted, it is also not listed as not permitted.

Charlie Vars stated that he believed when he was on the Planning Board, this was supposed to be approved as a permitted use in all zones. This appears to be an oversight. Jamie Ramsay thought this might be a suggestion for a proposed amendment this year. He noted that if the use was being proposed in a "classical" industrial building with overhead doors and steel walls, it might be a different discussion, but this building was basically an office building.

Although the Board had already voted on regional impact, Tim Kachmar moved no regional impact. Jamie Ramsay seconded.

Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar – aye; Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.

1. The Variance will not be contrary to the public interest.

- J. Ramsay– true.
  - C. Vars true, the proposed use will not pose a threat to the public health, safety, or welfare.
  - D. Pray—true, a public worship service will not alter the neighborhood. The use of the unit will be limited during weekends and is consistent with the other units. The Fire Department has also been out to the site to look at a reasonable limit for the number of people in the space.
  - T. Kachmar true, there is another House of Worship in the same area.
  - D. Kirkwood true.5 Trueyi

- 2. The Variance is consistent with the spirit and the intent of the Ordinance
- D. Pray– true, there are other professional services offered in the area, and the proposed use is consistent with other uses.
- T. Kachmar true.
- J. Ramsay true, there are rights of tenancy. Also the proposed use is not flagrant to the other units.
- C. Vars true, the number of people in the building will be kept to a minimum.

- 5. Literal enforcement of the provisions of the Ordinance would result in an unnecessary hardship.
- D. Pray true, the only aspect of the business not allowed is the public worship one. The industrial zone is perfect for this type of use. Not allowing the proposed use would be a hardship.
- C. Vars—true, this is a reasonable use that will not affect the character of the industrial park.
- J. Ramsay true.
- T. Kachmar true, the proposed use is not listed as prohibited; it just doesn't happen to be listed as allowed.
- D. Kirkwood true, there is already a religious use in the same building. The proposed fellowship will be a minimal use of the property and thus is not in danger of changing the overall use of the industrial park.

5 True

Tim Kachmar stated that that variance could have been approved, but the applicant would have had to come back anyway for the height issue.

Doug Kirkwood stated that this is a setback corner lot. He believes the ZBA should grant the rehearing and if Tom Quinn, Esq., then wants to pull the request once the 30 day appeal window lapses for the variance that was just granted, that will be okay.

Danielle Pray moved to grant the request for rehearing. Jamie Ramsay seconded. Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar – aye; Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.

Charlie Vars moved to exit deliberations. Jamie Ramsay seconded. Roll call vote: Danielle Pray – aye; Jamie Ramsay – aye; Tim Kachmar– aye; Charlie Vars – aye; and Doug Kirkwood – aye. Motion carried unanimously.

OTHER BUSINESS:

Doug Kirkwood stated that he will address the size of the meeting package with Community Development.

Tim Kachmar noted that Town Hall might be trying to save money by sending the package electronically. But the ZBA members are all volunteers, and it isn't fair to ask them to print all of the materials at home. He would prefer the electronic copy, but feels that it should be an option to receive a hard copy.

Charlie Vars stated that there was the option to get the paper packet, in the email that was sent to the members with the electronic version. He mentioned that he contacted Deb Butcher, who had a hard copy printed for Bob Rowe but wasn't able to get a hold of him, and so Charlie Vars was able to obtain that copy.

Tim Kachmar stated that he hadn't read the whole email so didn't see the offer of the paper packet. He suggested that each ZBA member let it be known what his/her preference is ahead of time.

Doug Kirkwood stated that he will sit with Nic Strong to discuss not being told what the ordinances/RSAs say. He would also like for the packet information to be made more concise.

736 It's a lot of work to put these packets together, but they do not serve the ZBA well.

## **MEMO**

TO: Peter Lyon, Chair, and Board of Selectmen

Dean Shankle, Town Administrator

FROM: Nic Strong, Community Development Director

DATE: October 8, 2020

RE: Map 5 Lot 51, Amherst Street, Co-Ad Realty, LLC

Waiver of Municipal Liability, RSA 674:41

At their meeting of October 7, 2020, the Planning Board discussed the above-noted property and the request from Tom Quinn, Esq., for Co-Ad Realty, LLC, that the Board of Selectmen grant the issuance of a building permit for a single-family dwelling on that lot and issue a waiver of municipal liability pursuant to RSA 674:41 for that purpose.

The Planning Board heard from Attorney Quinn about this matter and were in receipt of the ZBA approval of the variance to allow building the single-family dwelling on this lot with no frontage, and Attorney Quinn's document submissions to the Board of Selectmen.

The Planning Board voted that they had no objection to the Board of Selectmen issuing a building permit and waiver of municipal liability for a single-family dwelling on this lot.

Please let me know if you have any questions.

## Town of Amherst, NH BOARD OF SELECTMEN STAFF REPORT

Title: Assessing Approvals Department: Assessing

Meeting Date: October 26, 2020 Staff Contact: Michele Boudreau

#### BACKGROUND INFORMATION:

## A - LAND USE CHANGE TAX

Attached is a land use change tax release for Tax Map 005 Lot 059-35. The parcel was sold making this parcel less than 10 acres and not contiguous with other lots in current use under identical ownership. The Land Use Change Tax of \$23,500.00 amount represents 10% of the full and true market value of \$235,000.

## **B** - VETERAN TAX CREDIT

I have reviewed the attached Veteran Tax Credit Application provided and the applicants qualify for the Veteran Tax Credit under RSA 72:28 for the 2021 tax year.

## **BUDGET IMPACT:**

(Include general ledger account numbers)

#### POLICY IMPLICATIONS:

#### DEPARTMENT HEAD RECOMMENDATION:

## SUGGESTED MOTION:

**A** - Therefore, I move to approve the Land Use Change Tax in the amount of \$23,500 for Tax Map 005 Lot 059-035, 24 Founder's Way.

**B** - Therefore, I move to approve the Veteran Tax Credit for tax year 2021 on the following map and lot numbers:

MAP/LOT	LOCATION	AMOUNT
005-016-017	17 Atherton Lane	\$500.00
018-039-000	5 Manchester Road	\$500.00

#### NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION

#### WARRANT FOR LAND USE CHANGE TAX

#### **INSTRUCTIONS**

#### WHEN TO FILE

The Municipal Assessing Officials, upon their approval of a Form A-5, Municipality Land Use Change Tax Bill, shall concurrently approve and sign the Form A-5W, Warrant For Land Use Change Tax.

#### WHO MUST FILE

The Municipal Assessing Officials shall complete Form A-5W, Warrant For Land Use Change Tax, as approved by the board, to serve as the warrant with which the Municipal Tax Collector shall collect the Land Use Change Tax from the landowner or the right-of-way responsible party.

#### WHERE TO FILE

The completed and signed original Form A-5W shall accompany the original Form A-5 and two copies to be delivered to the Municipal Tax Collector. The Municipal Assessing Officials shall retain a copy of both the Form A-5 and the Form A-5W for their records.

#### **TAX COLLECTOR PROCEDURES**

Upon receipt of the Form A-5W, Warrant For Land Use Change Tax, and Form A-5, Municipality Land Use Change Tax Bill, the Municipal Tax Collector shall mail a duplicate copy of the Form A-5 to the owner responsible for the tax as the notice thereof. Such bill shall be mailed, at the latest, within 18 months of the date upon which the Municipal Assessing Officials receive written notice of the change of use from the landowner or his agent, or within 18 months of the date the Municipal Assessing Officials actually discover that the Land Use Change Tax is due and payable. Upon receipt of payment from the property owner, the Municipal Tax Collector shall forward the original Form A-5 to the county registry of deeds for the purpose of releasing the recorded contingent lien as indicated by the A-5 on all, or only a portion of the property. The recording fee shall be payable by the property owner. Upon receipt of payment from the right-of-way responsible party, the Form A-5 does not get recorded at the registry of deeds. In either case, a copy of the paid Form A-5 bill shall be given to the Municipal Assessing Officials for their records.

#### WHEN TAX IS DUE

Payment of Land Use Change Tax and the recording fee shall be due not later than 30 days after mailing of the tax bill. Interest at the rate of 18 percent per annum shall be due on any taxes not paid within the 30-day period.

#### **COLLECTION OF UNPAID TAX**

Land Use Change Tax assessments create a lien against the property owner or the right-of-way responsible party. The tax lien shall continue for a period of 24 months. Unpaid tax is subject to collection proceedings pursuant to RSA 80.

#### **ADA**

Individuals who need auxiliary aids for effective communication in programs and services of the department are invited to make their needs and preferences known to the New Hampshire Department of Revenue Administration.

#### **NEED HELP?**

Contact the Municipal and Property Division at (603) 230-5950.

## **LINE-BY-LINE FORM INSTRUCTIONS**

#### STEP 1

The Municipal Assessing Officials shall provide the name of the municipality and mailing address in which the taxable property is located.

#### STEP 2

- (a) Name of the county in which the property is located.
- (b) Name of the Municipal Tax Collector.
- (c) Name of the municipality in which the property is located.
- (d) The amount of Land Use Change Tax due and payable.
- (e) The name of the municipality.
- (f) The month, day, and year of the warrant.
- (g) The property owner or right-of-way responsible party and address to whom the tax is being assessed.
- (h) The tax map and lot number of the property on which the Land Use Change Tax is being assessed.

#### STEP 3

Signature of a majority of the Municipal Assessing Officials and date of signature indicates approval.

#### NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION

#### MUNICIPALITY LAND USE CHANGE TAX BILL

#### **INSTRUCTIONS**

#### **GENERAL INSTRUCTIONS**

#### WHO MUST FILE

The Municipal Assessing Officials shall complete the Form A-5, Municipality Land Use Change Tax Bill, to assess the Land Use Change Tax on land that has been classified as open space land and assessed at current use values on or after April 1, 1974 that has undergone a change and as such, no longer qualifies for current use assessment.

#### WHEN TO FILE

Municipal Assessing Officials shall assess the Land Use Change Tax within 18 months of the date upon which they receive written notice of the change of use from the landowner or his or her agent, or within 18 months of the date the Municipal Assessing Officials actually discover the Land Use Change Tax is due and payable.

#### WHERE TO FILE

Upon approval and signature of the Form A-5 by the majority of the Municipal Assessing Officials, the original and two copies of the Form A-5 along with the Form A-5W, Land Use Change Tax Warrant, shall be submitted to the Municipal Tax Collector for collection of the Land Use Change Tax. A copy of the Form A-5 and Form A-5W shall be retained by the Municipal Assessing Officials.

#### **BILLING AND COLLECTION OF THE TAX**

Upon receipt of the Land Use Change Tax Warrant, the Municipal Tax Collector shall mail one copy of the Form A-5 and this instruction page to the property owner of right-of-way responsible party. Payment of the Land Use Change Tax shall be due no later than 30 days after the mailing of the Form A-5 bill. If billed to the property owner, they must pay a recording fee. Interest of 18% will accrue on any unpaid tax after 30 days. Upon receipt of payment by the property owner, the Form A-5 is recorded at the country registry of deeds. Upon receipt of payment by the right-of-way responsible party, the Form A-5 is not recorded at the registry of deeds. Copies of the paid Form A-5 bills shall be given to the Municipal Assessing Officials for their records.

#### APPEAL OF LAND USE CHANGE TAX

Any person aggrieved by the assessment of a Land Use Change Tax may, within 2 months of the notice of tax date and not afterwards, apply in writing to the Municipal Assessing Officials for an abatement of the Land Use Change Tax pursuant to RSA 79-A:10. If the Municipal Assessing Officials neglect or refuse to abate the Land Use Change Tax, any person aggrieved may appeal within 8 months of the notice of tax date and not afterwards, to either the Board of Tax and Land Appeals or Superior Court in accordance with RSA 79-A:10 or RSA 79-A:11.

#### **ADA**

Individuals who need auxiliary aids for effective communication in programs and services of the department are invited to make their needs and preferences known to the NH Department of Revenue Administration.

#### **NEED HELP?**

Contact your Municipality or Municipal and Property Division at (603) 230-5950.

### NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION

#### MUNICIPALITY LAND USE CHANGE TAX BILL

**INSTRUCTIONS** 

#### LINE-BY-LINE INSTRUCTIONS

The Municipal Assessing Officials shall complete Steps 1 through 6. Steps 7 and 8 shall be completed by the Municipal Tax Collector.

#### STEP 1

Indicate whether the property owner or the right-of-way responsible party will be assessed the tax. Provide the names and address of the party to whom the tax is being assessed.

### STEP 2

- (a) If assessed to the right-of-way responsible party, list the name of the parcel landowner on which the change occurred.
- (b) Provide the parcel street location, municipality, and country on which the change in use occurred.
- (c) Provide the total acres of the parcel, tax map and lot number, and most recent deed reference for the parcel.
- (d) Indicate whether a portion of the parcel or the entire parcel is being released, or that it is a right-of-way change.

#### STEP 3

- (a) Provide the name of the property owner(s) that originally enrolled the land into current use including the registry of deeds book and page recording the reference.
- (b) Enter the total acres originally enrolled in current use.
- (c) Enter the total acres previously released since the original enrollment into current use.
- (d) Enter the number of acres subject to the Land Use Change Tax for this assessment.
- (e) Enter the number of acres remaining in current use, Step 3(b) minus Step 3(c) minus Step 3 (d).

#### STEP 4

- (a) Provide the description of the land disqualification.
- (b) Provide the actual date of the event that disqualified the land in the following format: MM/DD/YYYY.
- (c) Provide the full and true market value of the land at the time of change in use.
- (d) Calculate the Land Use Change Tax by multiplying the full and true market value of the land by 10% (.10).

### STEP 5

Signature of a majority of the Municipal Assessing Officials and date of signature indicates approval.

### STEP 6

- (a) Provide the name and address of the party to whom the tax is to be billed.
- (b) Provide the actual date of the event that disqualified the land in Step 4(b) in the following format: MM/DD/YYYY.
- (c) Enter the date of the Land Use Change Tax Notice.
- (d) Enter the full and true market value at the time of change in use as indicated in Step 4(c).
- (e) Enter the Land Use Change Tax owed as calculated on page 2, Step 4(d).

#### STEP 7

- (a) Enter the name of the municipality to which the checks are to be made payable. This should be the municipality in which the parcel of land is located.
- (b) Enter the name of the Municipal Tax Collector and the applicable mailing address to which payments should be remitted.
- (c) Enter the Municipal Tax Collector's physical office location.
- (d) Enter the Municipal Tax Collector's hours of operation.
- (e) If the Land Use Change Tax is being billed to the right-of-way responsible party, it is exempt from recording and the box should be checked "Yes". If the Land Use Change Tax is being billed to the property owner, it is not exempt and the box should be checked "No".
- (f) Enter the applicable county registry of deeds recording and filing fee for the recording of the lien release. Indicate to whom the recording fee check should be made payable.
- (g) Enter the final date that the taxpayer has to pay the bill to avoid late payment penalties.

## STEP 8

The Municipal Tax Collector shall sign and date the form when the tax is paid, and if applicable, the Municipal Tax Collector shall remit the original signed Form A-5 with the recording fee to the appropriate County Registry of Deeds. Copies of the paid, and if applicable the recorded, Form A-5 shall be provided to the Municipal Assessing Officials for their record.

**AP1**~ I move to approve one (1) FY21 Payroll Manifest in the amount of \$224,866.98 dated October 8, 2020, subject to review and audit.

**AP2** ~ I move to approve one (1) FY21 Payroll Manifest in the amount of \$225,735.23 dated October 22, 2020, subject to review and audit.

## **Accounts Payable**

**AP3** ~ I move to approve one (1) FY21 Accounts Payable Manifest in the amount of \$199,290.51 dated October 13, 2020, subject to review and audit.

**AP4** ~ I move to approve one (1) FY21 Accounts Payable Manifest in the amount of \$35,908.21 dated September 30, 2020, subject to review and audit (NH DMV).

**AP5** ~ I move to approve one (1) FY21 Accounts Payable Manifest in the amount of \$41,661.25 dated October 16, 2020, subject to review and audit (NH DMV).

## Minutes

~ I move to approve the Board of Selectmen meeting minutes of October 12, 2020.

# TOWN ADMINISTRATOR RECOMMENDATION:

# ATTACHMENTS:

1. 2020.10.12\_BOS\_MINUTES

1. Call to Order

# Town of Amherst, NH BOARD OF SELECTMEN MEETING MINUTES

# Barbara Landry Meeting Room 2 Main Street Monday, October 12, 2020 6:30PM

2	Chairman Peter Lyon called the meeting to order at 6:31 p.m.
4	Attendees by Zoom conference call: Chairman Peter Lyon, Selectman Dwight Brew,
5	Selectman Reed Panasiti, Selectman John D'Angelo, and Selectman Tom Grella.
6	Also present: Town Administrator Dean Shankle and Kristan Patenaude, minute taker
7	r,
8	Ways & Means Committee Members present: Lisa Eastland (Chair), Danielle Pray (co-
9	chair), Scott Tuthill, Matt Seiler, Bill Loscocco, Lori Mix (alternate).
10	
11	Other attendees and the public accessed the meeting via Zoom.
12	
13	Chairman Lyon explained that, pursuant to the State of Emergency declared by the
14	Governor as a result of the COVID19 pandemic and in accordance with his Emergency
15	Order #12, this meeting is authorized to take place electronically. There is no physical
16	location to observe and listen to this meeting. However, in accordance with the
17	Emergency Order, we are:
18	Utilizing Zoom teleconferencing for this meeting. All members of the Board have the
19	ability to communicate during the meeting through this platform and the public has access
20	to contemporaneously listen and if necessary participate in the meeting by dialing +1 301
21	715 8592 and using a webinar ID of 846-5078-3817 or by using the link contained in the
22	agenda posted at amherstnh.gov.
23	
24	Notice of the meeting and means to access it were previously posted in accordance with
25	law. Members of the public that have phoned into the meeting can raise their hand by
26	pressing the *9 on their phone, in order to make it known that they would like to speak to
27	the Board. If anyone has a problem accessing the meeting, please call 603-440-8248 for
28	assistance. In the event the public is unable to access the meeting, the meeting will be
29 30	adjourned and rescheduled.
30 31	All votes will be taken by roll call and for ease, in alphabetical order.
32	Lastly, the meeting is being recorded and will be replayed on ACATV.
33	Lastry, the meeting is being recorded and will be replayed on ACAT v.
34	The Board started by taking a roll call vote and stating if they were alone.
35	The Board started by taking a ron can vote and stating if they were alone.
36	Roll call vote: Selectman Brew – present; Selectman D'Angelo – present; Selectman
37	Grella – present; Selectman Panasiti – present; Chairman Lyon – present. All noted
38	themselves as being alone.
-	

## 2. Citizen's Forum – none.

# 3. Scheduled Appointments

a. Amherst Garden Club – AGC Anniversary Legacy Gift Proposal

Nancy Head and Christy Belvin, of the Amherst Garden Club, presented the proposal to the Board. Nancy Head explained that the Garden Club, as part of its 50<sup>th</sup> anniversary celebration, is looking to give a legacy gift to the Town. She explained that Christy Belvin has chaired the subcommittee for this, and the group has settled on a granite bench and Kousa dogwood tree. These are proposed to be placed at the corner of Jones Road and Mack Hill Road. Perry Day, DPW, stated that there was once a cherry tree at this site. The bench will be made from a granite slab quarried from Milford in the 1970's. This will give the bench a historic feel and keep with the historic marker already in place. The subcommittee has spoken to all of the neighbors, who are all in agreement with the proposal. The Heritage Commission, Historic District Commission, and Historical Society are also all in agreement with the proposal. She explained that there will be consistent watering of the tree for the first two years, thanks in

In response to a question from Selectman Panasiti, Nancy Head stated that the Garden Club will work closely with Perry Day regarding the exact location of the tree and bench. Selectman Panasiti noted that the group should take caution in regard to plowing and salt use that may occur nearby.

part to the Garden Club, the DPW, and a couple of neighbors.

 A MOTION was made by Selectman Panasiti and SECONDED by Selectman Grella to accept the gift from the Amherst Garden Club.

By roll call vote: Selectman Brew – aye; Selectman D'Angelo – aye; Selectman Grella – aye; Selectman Panasiti – aye; Chairman Lyon – aye. 5-0-0; motion carried unanimously.

# b. Bike/Ped Action Committee: 2021 Potential Grant Funding Opportunities

Chris Buchanan, Chair of the Bicycle & Pedestrian Advisory Committee, stated that the group has been working since 2018 to identify potential projects in Town and discuss ways to fund them. The group will continue to work to formalize their part in the CIP process and create a Strategic Plan. There are a number of grant opportunities coming up that he would like the Town to consider taking part in, in order to help offset the cost of some of these projects.

Chris Buchanan explained that one of these grants, the DOT Transportation Alternatives Program (TAP), usually would be administered at the end of this year but is delayed due to COVID-19. This grant gives an 80/20 match and the Committee is deciding if there is a project to pursue for this grant. He stated that a fund with modest amounts in it would bolster the Town's standing when applying for grants, such as this. These grants can be very competitive, and a Town that can show how it would pay for its 20% might be in better standing. Chris Buchanan explained that the Committee might consider creating a Warrant Article to create a Capital Reserve Fund (CRF).

In response to a question from Chairman Lyon, Chris Buchanan explained that the CRF would be for general purposes, with a primary goal of pursuing grant funding for projects. Chris Buchanan noted that one of the most popular projects for the Committee seems to be a

Buchanan noted that one of the most popular projects for the Commi sidepath in the area of the Souhegan High School.

BOARD OF SELECTMEN MEETING MINUTES

2020.10.12

In response to a question from Chairman Lyon, Chris Buchanan explained that, as the Amherst Street sidepath is not yet created, there is no completed project to point to for an example of what a sidepath would look like. Chris Buchanan stated that the Committee would not look to fund another entire project until the Amherst Street sidepath is completed.

The Board agreed that more detail, such as the amount of money intended to fund the CRF and what project or grant it might be seeking, should be included in the proposal. Chris Buchanan agreed to come back before the Board in a couple of weeks with more details and specifics from the Committee.

In response to a question from Selectman Panasiti, Town Administrator Shankle stated that he believes Capital Reserve Funds can be used for projects of this type.

# 4. Strategic Plan Presentations 4.1 FY22 ACC Strategic Plan

Rob Clemens, Chair of the Amherst Conservation Commission (ACC), presented the Strategic Plan to the Board. He explained that the ACC follows a Conservation Plan that guides its activities and ensures compliance with RSA 36-A. The ACC manages 2,600 acres of land, approximately 13% of Amherst. The ACC has seven strategies for pursuing its mission:

- 1) Influence Zoning and Planning by providing input to Zoning ordinances, working to ensure that Amherst's natural resources are addressed in the Master Plan, and advising the Planning Board on CUP applications regarding wetlands and water resources.
- 2) Acquisitions the ACC uses revenue from receiving 100% of the LUCT funds in order to acquire properties or development rights. The ACC has a prioritization scheme that does not endorse a generic percentage land target. There is some concern on the ACC regarding the variability of LUCT funds and that the Conservation Fund is not as robust as it needs to be in order to acquire certain properties.
- 3) Manage Town Forests the ACC manages 10 areas, totaling 1,566 acres. The ACC has a Forest Management Plan that the Board will be further briefed on within the next month or so.
- 4) Manage Grasslands the ACC manages 15 areas in Town, totaling 270 acres, including the most recent Buck Meadow acquisition. The ACC has developed a management plan for these areas.
- 5) Control Invasive Species the ACC looks to control invasive plant species throughout Amherst. It most recently has worked to clear the edges of the Scott property.
- 6) Low-impact Outdoor Recreation the ACC's trails have received tremendous pressure and activity due to COVID-19. Using infrastructure funds, many of the trails have been upgraded, thanks in part to help from the Boy and Girl Scouts and students from the High School. There is also an effort to update signage on ACC properties.
- 7) Public Education & Outreach the ACC looks to increase public education and outreach through things like updated signage, trail maps, etc.

Rob Clemens explained that the ACC uses its Town budget funds to pay for infrastructure items, professional development, and administrative support. The Conservation Fund is used for acquisitions, surveys, and capital purchases. The proposed FY22 budget has a modest in process and provide the state of the proposed in process and better outpook.

increase, mostly due to items such as increased invasive management, and better outreach

methods to the public.

- Rob Clemens also noted that a long-time ACC Commissioner, Bruce Beckley, recently passed
- away. The ACC is memorializing his contributions to the Town and the ACC with a bench
- and plaque at Grater Woods.

- 137 Selectman Brew stated that he believes that the role of the Amherst Conservation Commission
- takes an increased importance when the Town is seeing increased development. The ACC
- goals of influencing zoning and planning, strategically acquiring land, properly managing land
- that has been entrusted to the ACC, and providing the opportunity to hike, bike and provide
- the opportunity for outdoor winter sports, all benefit the town.
- 142 In response to a question from Selectman D'Angelo, Rob Clemens explained that there are
- other groups that manage land in Town, such as the Audubon Society and Amherst Land
- 144 Trust. Selectman D'Angelo suggested that the amount of land managed by other groups also
- be included in the ACC's Plan because that land cannot be used for anything other than
- 146 conservation purposes. Selectman D'Angelo noted that this means the land cannot be
- developed and thus cannot be used to increase the number of taxpayers in Town to spread the
- 148 cost over.

149

- Selectman D'Angelo noted that the ACC's financial strategy seems to be working fine. He
- agreed with the idea of building up the Conservation Fund in order to look at acquiring some
- connecting parcels in Town.

153

- Rob Clemens stated that the Buck Meadow acquisition was interesting because it gave the
- ACC a chance to partner with the Recreation Department.

156

- 157 In response to a question from Selectman Panasiti, Rob Clemens noted that the National
- Society of Forests has stated that the amount of open space maintained in a Town should be
- about 25%. The ACC has not used a specific percentage in the past as a goal. Rob Clemens
- mentioned that about 17% of Amherst is developed, and so a large amount of land is held by
- private landowners in Town.

162

- In response to a question from Selectman Panasiti, Rob Clemens stated that the ACC has
- identified approximately \$5 million worth of properties it would like to acquire in Town. The
- 165 Conservation Fund currently sits at about \$250,000.

166167

- In response to a question from Lisa Eastland, Ways & Means Committee Chair, Rob Clemens
- stated that the ACC does not charge for use of the fields at Buck Meadow and will not take in
- funds from the Buck Meadow 5k. The ACC will, instead, use the event to capitalize on
- interest from the public to be centered around educational activities. The ACC is evaluating
- possible fundraising ideas, or the possibility of requesting voter approval to issue bonds or
- notes in order to move forward with larger property acquisitions.

173174

175

## 4.2 FY22 DPW Strategic Plan

- Eric Hahn, DPW Director, presented the DPW's Strategic Plan. He stated that the Department
- has five targeted outcomes:
  - 1) 68% or greater of Amherst roads are rated good according to industry standard pavement condition index (PCI) by 2025

177178

**BOARD OF SELECTMEN MEETING MINUTES** 

2020,10,12

- 2) By 2025, six additional Amherst bridges & water crossings will be built or upgraded to last for 75+ years with the last 3 enrolled in DOT's program
  - 3) By 2025 all Amherst Town buildings and outbuildings will be functionally sound and compliant with all appropriate regulations and codes
  - 4) By 2020 will have achieved workforce productivity of 90%
  - 5) Clean Water Act:
    - a. Continued compliance with EPA issued Municipal Separate Storm Sewer System (MS4) permit
    - b. Requires collaboration between DPW and Office of Community Development

Eric Hahn stated that, in regard to roads in Town, the DPW is in year two of a seven-year plan that prioritizes arterials, feeders, thru roads, and then cul-de-sacs. He stated that the DPW has completed half of this yer's goal to turn red roads to green, based on evaluation and ratings. This year's target will be exceeded when Amherst Street is completed this spring. The ultimate goal is to have 68% of road miles rated green by 2026.

Eric Hahn explained that there are 20 bridges and water crossings in Amherst. Three of these are not under the State Bridge Aid program and needed repairs will need to be entirely supported by the Town. One each of these bridges will be done in FY22, FY23, and FY25. If the Town continues to add \$200,000 to the Bridge CRF each year through FY26, this should cover the three large culverts and three bridges that need to be repaired. He stated that he has met with residents to discuss concerns for the Thornton Ferry I bridge and the Mont Vernon Road bridge. The three large culverts in Town are being monitored, with no significant deterioration observed. He explained that the Boston Post Road bridge, over the Souhegan River, will be up for maintenance next year.

In regard to Town buildings, Eric Hahn stated that there will be collaboration between the DPW and Recreation Department to determine what the needs and functionality of the Buck Meadow clubhouse will be. The Town Hall chimney has been capped, sealed, and filled with perlite to stabilize the brick deterioration. The DPW has also completed numerous building adaptations, due to COVID-19.

Due to COVID-19 concerns, the DPW is currently looking into renting an office trailer in order to separate the DPW crew into two separate groups for the upcoming winter. Using the new Mobile 311 management system, the DPW has achieved workforce productivity of 90.3%. To date, there have been over 1,751 work orders entered into the system, and 1,537 of them have been completed. The system also allows the DPW to track the number of hours worked on COVID-19 related items, and the amount of salt/sand being used. Using the system, the DPW has been able to significantly reduce the Town's financial and environmental impact from storms.

The FY22 goals include: updating the DPW Policies/Procedure Handbook, development and implementation of promotion matrix, improve file management systems, refine winter operations, and renew the vehicle/equipment lease-purchase plan.

- 225 Selectman Brew stated that the DPW directly and indirectly impacts Amherst businesses and
- residents on multiple fronts. He explained that it is honestly easier to see this impact when
- things are not going well. If important items are neglected, it can take a while for this to
- become apparent. Fortunately, he doesn't believe there is a concern on either front. He
- believes that Eric has laid out a plan that will not just maintain the status quo, but will
- 230 definitely result in improved roads, bridges, buildings and other town facilities. The
- stormwater activities should also improve water quality. And finally, the work that the DPW
- is doing to increase productivity is something that will benefit all residents and businesses.
- While not a strategic issue, he would encourage Eric and Cheryl to analyze how we fund
- 234 replacement vehicles and major DPW equipment and report back in two weeks as a part of the
- budget. He would be happy and like to be a part of this analysis.
- 236 In response to a question from Selectman D'Angelo, Eric Hahn stated that the DPW has
- managed to get to almost all of the roadwork as planned for this year, aside from the delay
- with Amherst Street. Eric Hahn explained that, when a road is rebuilt, drainage issues are also
- addressed. Selectman D'Angelo noted that the plan is to have 90+% of all roads listed as
- green or yellow by the end of the 7-year plan.

243

244

In response to a question from Selectman Grella, Eric Hahn stated that the DPW's plan is to complete work on all three of the large water-crossing culverts in Town by FY26. Two of the red listed bridges in Town are slated to be completed by FY25; the third one, on Brook Road,

will be added to the plan by FY25.

246247

In response to a question from Selectman Panasiti, Eric Hahn stated that the State checks on closed bridges each year. Selectman Panasiti suggested that the DPW look at the layout of the Transfer Station and how other towns are laid out.

249250251

252253

248

In response to a question from Chairman Lyon, Eric Hahn agreed that the Transfer Station roof and new deck are on hold, pending a determination of the layout configuration. Eric Hahn explained that the plan to keep green roads green, includes a crack-seal contract and a roadside mower.

254255256

257

258

In response to a question from Lisa Eastland, Eric Hahn stated that the Souhegan River bridge on Boston Post Road is currently only slated for maintenance. The approaches on both sides of the bridge are very constrained due to conservation and property boundaries. He believes that the guardrails are as far back as possible, while still being located on Town property.

259260261

262

263

In response to a question from Lisa Eastland, Eric Hahn explained that he has met with Chris Buchanan and George Bower, of the Bicycle Pedestrian Advisory Committee, regarding other painting schemes that might be used in place of double yellow lines. He will meet again with that group, as well as the Traffic Safety Committee.

264265266

267

268269

270

## 4.3 FY22 Admin & Finance Strategic Plan

Town Administrator Shankle and Finance Director, Cheryl Eastman, stated that the two Departments work closely together to achieve their goals. Town Administrator Shankle stated that the Administration Department's strategic goals include: continuous improvement of service delivery, improved communications and engagement, and attracting and retaining

**BOARD OF SELECTMEN MEETING MINUTES** 

2020.10.12

- quality employees. Cheryl Eastman stated that the Finance Department's strategic goals include: accuracy, efficiency, and transparency.
- Town Administrator Shankle stated that the Departments' main budget items are software related. The agenda software aims to make the agenda process much faster and more
- transparent. Cheryl Eastman explained that the Springbook software for the Finance
- 277 Department covers all items addressed by the Finance Department. For FY22, the license fees
- for the finance software are about \$47.000.

308 309

310

315

- Selectman Brew stated that having the full agenda and finance information available online for the public increases transparency and is better for budgeting. He believes an update to the personnel policy would be beneficial. He also believes that a municipal Strategic Plan will support the Master Plan, and vice versa. If the schools also had a Strategic Plan, there would be three documents to look to regarding the overall oversight of the Town.
- In response to a comment from Chairman Lyon, Town Administrator Shankle stated that none of the proposed budget numbers are new to the budget. These items are already included in this year's budget.
  - In response to a question from Lisa Eastland, Town Administrator Shankle stated that he believes any number of users accessing the budget information online makes the new system worthwhile. He will be able to know the number of hits made on the site to access that information. Cheryl Eastman noted that transparency is just a small part of the GovMax software. The program is a huge timesaver for getting key indicators and putting together the entire budget.
    - Cheryl Eastman noted that the Zoom meeting window for the Ways & Means Committee has expired during the time of this meeting. The Ways & Means Committee can therefore not meet at this time but said she would look for an alternative time if necessary.

## 5. Administration

## **5.1 General Administrative Updates**

- Town Administrator Shankle stated that the doorbells and remote unlocking suggested by the Reopening of Town Hall Task Force seem to be working. Each counter has a bucket for clean/used pens and alcohol wipes to clean them. There is updated signage at the entrance.
- Town Administrator Shankle noted that Gail Stout is yet unsure about the tax rate. He suggested that the Board might need to hold a special meeting next week in order to determine this before the tax bills go out at the end of October.
- Town Administrator Shankle stated that there seems to be a bit of a spike in COVID-19 cases in Amherst at the moment. He received an email from Bill Paxton, a resident, asking why masks are not being made mandatory at the Transfer Station, especially during a potential spike in cases.
- Town Administrator Shankle mentioned that there will be no Town-sponsored activities for Halloween this year. The Board has set a time for trick-or-treating and has made police

support available. The hope is that everyone will follow the guidelines as outlined by the State and CDC.

Town Administrator Shankle noted that the price per ton of winter salt will remain the same as last year. He also gave some guidance, per RSA's and ordinances, for political signage around Town. He suggested that, if someone believes a sign is improperly placed, that person first contact the Community Development Office.

## **5.2 PD Renovation Change Orders**

Chairman Lyon stated that four change orders were received last week in regard to the Police Station Renovation. He questioned how the Board would like to handle hearing about potential change orders moving forward. He assumes that these will be funded out of the Police Station renovation contingency line.

Town Administrator Shankle stated that there have been conversations between himself, the architect on the project, and the Police Chief. The architect has stated that these change orders look a bit high for this stage of the project. The changes are mostly due to a new hot water heater that will be 10x more efficient for the building. The anticipated change orders to come will be about double to triple the current \$11,000 in change orders. While it is unknown if there will be any savings found on the project, the intention is to not go over \$30,000 worth of change orders.

The Board agreed that it would like to be notified of these change orders but does not feel the need to approve each one. Selectman D'Angelo suggested that, if the contingency line reaches about 70% of its total, the Board be notified.

## 6. Staff Reports

## 6.1 Signing of Revised MS-535 Form

A MOTION was made by Selectman Panasiti and SECONDED by Selectman Brew to sign the revised MS-535 form.

By roll call vote: Selectman Brew – aye; Selectman D'Angelo – aye; Selectman Grella – aye; Selectman Panasiti – aye; Chairman Lyon – aye. 5-0-0; motion carried unanimously.

# 6.2 Town Hall pave gravel parking on Courthouse

Eric Hahn stated that is he requesting permission to pave the small strip parking lot on the right-hand side of Town Hall, on Courthouse Road. He explained that this is one of the only parking lots in Town that slopes towards the road. Deicing material settles into the gravel, leading it to be treated more frequently. There is also an issue when the area thaws, with tracking sand into Town Hall. He believes this will cost less than \$6,000.

Selectman Brew suggested that Eric Hahn reach out to the Cemetery Trustees and the Historic District Commission. He supports this proposal, as long as all relevant entities are on board.

In response to a question from Selectman Panasiti, Eric Hahn stated that the main reason for this proposal is the slope of the lot and the fact that the parking area is intended for those entering Town Hall safely.

- 365 A MOTION was made by Selectman Brew and SECONDED by Selectman D'Angelo that the
- 366 DPW be authorized to pave the Town Hall parking along Courthouse Road, for a price not to
- 367 exceed \$6,000, with the concurrence of the Historic District Commission.
- 368 By roll call vote: Selectman Brew aye; Selectman D'Angelo aye; Selectman Grella aye;
- 369 *Selectman Panasiti aye; Chairman Lyon aye. 5-0-0; motion carried unanimously.*

## 7.1 Accounts Payable Manifests and Meeting Minutes September 28, 2020

374 A MOTION was made by Selectman D'Angelo and SECONDED by Selectman Panasiti to 375 approve one (1) FY21 Accounts Payable Manifest in the amount of \$216,259.00 dated 376 September 29, 2020, subject to review and audit.

- 377 By roll call vote: Selectman Brew aye; Selectman D'Angelo aye; Selectman Grella aye;
- 378 Selectman Panasiti aye; Chairman Lyon aye. 5-0-0; motion carried unanimously.
- 380 A MOTION was made by Selectman D'Angelo and SECONDED by Selectman Panasiti to
- approve one (1) FY21 Accounts Payable Manifest in the amount of \$67,651.59 dated
   September 29, 2020, subject to review and audit.
- 383 By roll call vote: Selectman Brew aye; Selectman D'Angelo aye; Selectman Grella aye;
- 384 *Selectman Panasiti aye; Chairman Lyon aye. 5-0-0; motion carried unanimously.* 385
- A MOTION was made by Selectman D'Angelo and SECONDED by Selectman Panasiti to approve one (1) FY21 Accounts Payable Manifest in the amount of \$3,024,202.00 dated October 1, 2020, subject to review and audit (School Disbursements).
- 389 By roll call vote: Selectman Brew aye; Selectman D'Angelo aye; Selectman Grella aye;
- 390 *Selectman Panasiti aye; Chairman Lyon aye. 5-0-0; motion carried unanimously.* 391
- 392 *A MOTION was made by Selectman Panasiti and SECONDED by Selectman D'Angelo to* 393 *approve the meeting minutes of September 28, 2020, as presented.*
- 394 By roll call vote: Selectman Brew aye; Selectman D'Angelo aye; Selectman Grella aye; 395 Selectman Panasiti aye; Chairman Lyon aye. 5-0-0; motion carried unanimously.

## 8. Action Items

The Board reviewed its action items.

## 9. Old/New Business

Selectman D'Angelo explained that the SAU's Joint Facilities Committee recently presented its options and ideas for a new elementary school and updated middle school. These building are proposed to cost quite a bit of money, and the schools will also be looking to hire additional teachers to fill the new rooms.

- In response to a question from Selectman Panasiti, Town Administrator Shankle stated that the Town would provide information to its citizens regarding a COVID-19 hotspot, if one is discovered. There is no such information at this time.
- 410 A MOTION was made by Selectman Panasiti and SECONDED by Selectman D'Angelo to 411 adjourn the meeting at 10:01pm.

412	by roll call vole: Seleciman brew – aye,	' Seleciman D' Angelo – aye; Seleciman Grella – aye;
413	Selectman Panasiti – aye; Chairman Ly	on – aye. 5-0-0; motion carried unanimously.
