MONT VERNON TRAILER – Dennis reported that he determined that the problem reported was due to a loose connection.

HOLLIS TRAILER – Dennis mentioned that he had to replace a flat tire and some studs.

OPERATIONS REVIEW – Deb provided the following trash figures for 2024:

	<u>Tons</u>	<u>Trips</u>	<u>Ave Tons/Trip</u>

PAYABLES - All members reviewed the current invoices. Joanie made a motion to approve payment of those invoices and Frank seconded. All voted in favor.

OLD BUSINESS

STRUCTURAL – Eric provided copies of the contract. He had asked Structural to add each town as additional insured, which they did, but they also removed the SRLD. He will ask them to add back the SRLD as additional insured then he will sign the contract. He also mentioned that the contract contains a requirement that the facilities have 60-amp outlets. Structural said that those won't be necessary, and that Eric could just cross out that line.

NEW BUSINESS

WHEELABRATOR NOTICE – Deb had received a notice from Wheelabrator saying that tires & mattresses could not be brought to the MA facility. Bruce reported that he had spoken with Jerry and was told not to worry about it.

ELECTRONIC 1099 FILING – Deb asked for permission to file the SRLD's 1099 forms electronically at a cost of about \$6 per form. Joanie made a motion to authorize Deb to file the 1099 forms electronically. Guy seconded and all voted in favor.

GLASS – Joanie mentioned that she has become aware of a new facility that takes all kinds of glass and converts it into sand. She said it would be more expensive per ton but thinks that cost might be offset by lower hauling fees since it's closer. She plans to tour the facility.

NEXT MEETING – The next regularly scheduled meeting will be held on February 13th at 5:00pm in Brookline.

Joanie made a motion to adjourn, and Frank seconded. Meeting adjourned at 5:30 pm.

Respectfully submitted,

Debra Quinlan
