10. **Required Information (for all applications):**

Description of proposed work: Installing propane tanks on side of house. Two 120 gallon tanks to keep a low profile.

Reason for proposed work: Switching the fuel source for one unit from oil to propane. Can't store propane in the barn where the oil tank is.

Special Conditions:

Describe any special conditions that you want the Commission to consider: _____

During months with leaves, the tanks won't be visible at all. I chose small tanks to minimize the visual size.

Image of temporary tanks included for visual reference. Seeking permission to make them permanent.

NOTE: All applications must be complete and filed in the Community Development Office no less than 21 days before a meeting (third Thursday of each month) in accordance with the Historic District Commission schedule of meeting dates and deadlines.

Applications will not be accepted without a completed Historic District Application Checklist.
