ALL APPLICANTS - PLEASE READ AND SIGN BELOW

I certify that the information given is true and correct to the best of my knowledge. No change from the above information will be made without approval of the Building Inspector. Construction activities shall not commence until the Building Permit is issued.
I realize that when all necessary approvals have been acquired, a Building Permit may be granted by the Building Official to allow construction or change in land use in conformance with this application and those plans / specifications submitted in support thereof only.
I further acknowledge that the proposed structure or improvements shall not be occupied or otherwise utilized without the issuance of a Building Certificate of Occupancy and only after all necessary inspections have been requested and completed.

CALL 673-6041 FOR EACH INSPECTION (refer to building permit card) This application to be accompanied by drawings, statements, or other material satisfactory to the Building Official for determining compliance with appropriate ordinances and regulations.
