Message:

Ms. Norcross,

My name is Susanna Hargreaves, and I live off Christian Hill Road on Green Road. I am writing in regards of the Jacobson Farm subdivision plans. To maintain the character and beauty of our town, please do not allow this plan to go through.

Our quiet neighborhood and narrow roads, are not built to handle the traffic and strain from the proposed building plan. As an educator in this district, I'm very concerned that our schools, infrastructure, and emergency services are not equipped for this kind of rapid growth.

Furthermore, development would also harm our wetlands and forests, disrupting wildlife and damaging ecosystems we can't replace.

High-density housing like this does not fit the character of Amherst. We moved here for the peace, open space, and natural beauty and that's what we stand to lose.

Thank you for your time and consideration.

I also sent this to the other members in your department. Please let me know what else I can do.

Kindest regards,

Susanna Hargreaves and family
