Ms. Norcross,

Thank you for all of the attachments.

We had a Planning Board (Work Session) Mtg last evening, where I provided a brief summary to the Board regarding the status for this project.

Collectively, the Board (unanimously) did not feel there was any regional impact generated from this project, as it would possibly impact the Town of Milford.

Therefore, there shall be no further comment from the town unless there are future significant changes to the already-approved PRD and CUP.

Thank you.

Best regards,

Terrey Dolan
